

WHY NOW OF ALL TIMES... I DON'T WANT HER TO KNOW YET...

KAKA... M-MAYBE ANOTHER TIME... IT'S LATE... SO YEAH.

Eh...? You sure? It feels AMAZING ya know? You SERIOUSLY don't want it?

...I don't I'm very tired...

I SERIOUSLY do want it... BUT NOT until I get the medicine.

How very odd. I caught you with a dildo get you're too "tired"

Hmm...
Leona's definitely
horny and likes tits.
but refuses... Why?

Oh! Is it
about what she
said this morning
about being
small?

Haha! Rejoice, Leona! For I,
Riku the Bountiful, bring not
one, but double D bounties!
Even if your small my
breasts will compensate!
Let's do this!

I... I'll just get
dressed now...
G-Goodnight...

Not yet~

FWOOSH

Eh?!

Relax! I know your pecker is small but I got the tools to work with it! So let's get this party started!

OPEN!

TINY!

MISSING

S-Since when...?

Ah... I... I didn't realise you got a orchidectomy
Surgical Castration

You're confusing me, Leona... I thought you wanted to be like me, but now you're...

H-How am I supposed to explain this now...? I didn't want her to see it until I fixed it... and until Mei could help me explain...

I... I don't understand. This morning you were upset about being small, and now you've... cut them off?

I didn't cut them off... They're still there but different...

So being like me was that awful, right? Ha... Maybe I should've done the same...

Do what?
Why does she
look so sad?

Before we met my
swim club found out
about me. I'm a touchy
person, but I never meant
anything by it. They
misunderstood... and quit

Then people started
treating me differently.
The girls kept their distance.
The guys picked on me.
I was close to deciding to...

I... I didn't
know she had
it so rough.

To lose what made
me unique, you know?
But my mom convinced
me to give it some time

She got me into
a different class
and told me to try
again that not everyone
would hate me.

I tried to recruit you
while figuring out if
you'd accept me.
I was a bit... forceful.
Sorry

She... she really
planned to have
it removed...?

And... you did accept me.
You weren't disgusted, and
you didn't make fun of me.
Then Mei accepted me too. Most
people treat me like some kind of
exotic animal when they find out.
But you two didn't

B-But... you are
disgusted... You hate
having a body like this...
S-So then... I should just...
change too, right...?

I... I was never disgusted, Riku

T-Then why...

It's not what you think. It was... just a side effect from some medicine I was taking. Something meant to help me.

A-Are you sick..?

No. It was supposed to restore my size. But... it didn't work that way. It did the opposite.

I... I get it now. Leona wasn't disgusted... But... then they never actually wanted to lose their size?

So stop crying.

T-That... that must feel awful. Losing something you still want...

I know Mei said we shouldn't tell Riku the truth... but... I can't help thinking we should tell her everything soon...

Why am I the one crying? They're the one who... Idiot, Riku...

Rub

Rub

You okay now...?

Yep... sorry for dumping all that on you... especially when you're going through so much yourself!

Still up for that paizuri then?

...I can't. It's not possible...

So what if it's tiny. Leona is as horny as me! Sure it's small... B-But I want them to experience it! They deserve it!

What's the point... I'll just wait until I get that medicine.

...dammit, I wish I could...

Well... Sure not in the traditional sense... But I'm sure we can pull it off! Come on! Let's at least give it a go?

It would be too embarrassing... It wouldn't even reach...

Leona. I can tell you want it too. What's the harm in trying. Please?

It's not that I DON'T WANT too...

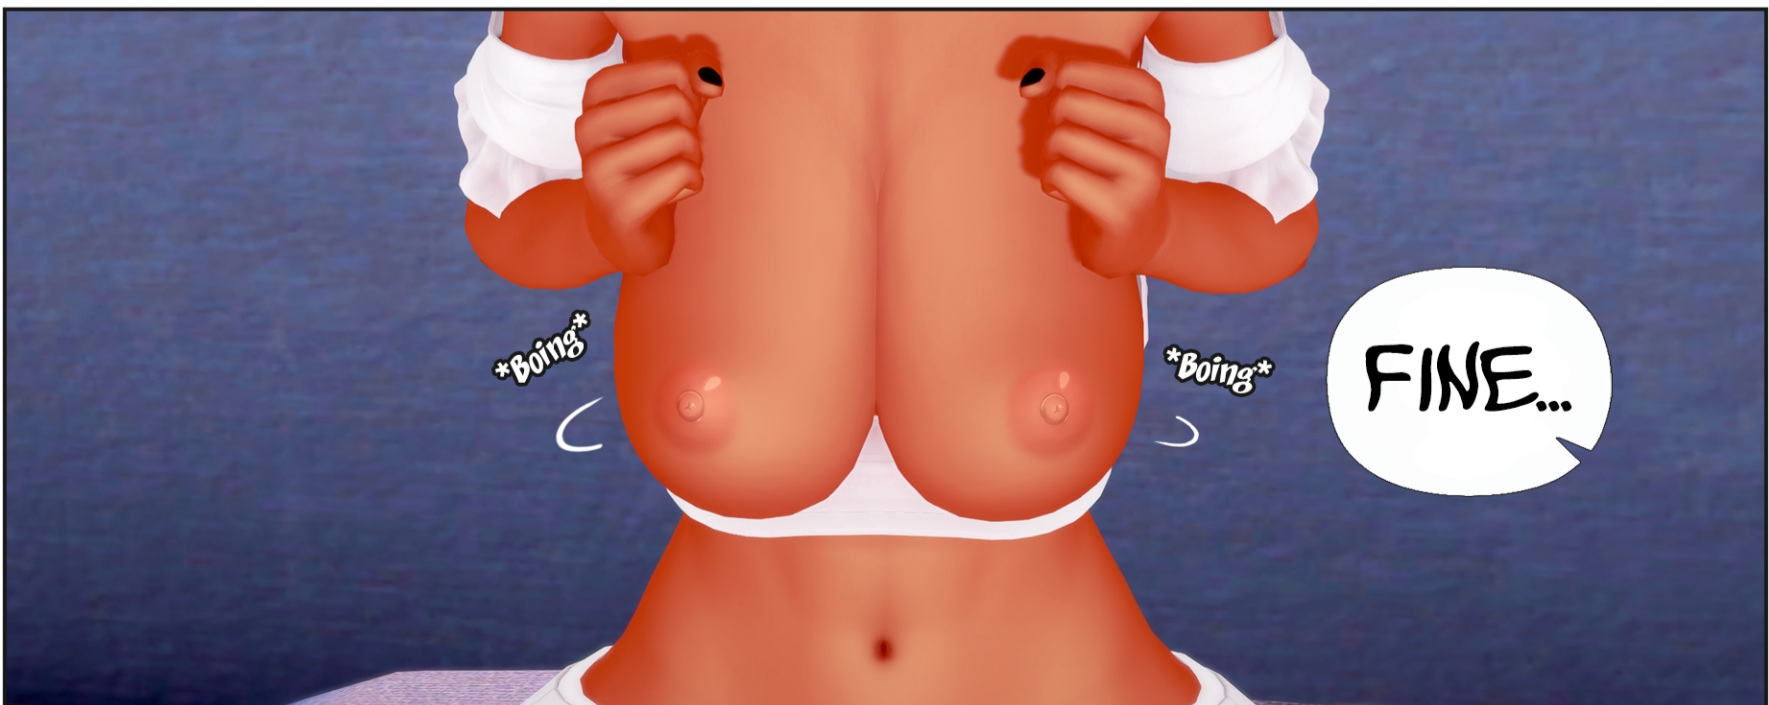

Then let's do it.

I... I...

Boing

Boing

Boing

Boing

FINE...

UM.. ARE YOU SURE THIS WILL WORK...

It will! This position works on all sizes! That's what google told me anyhow!

M-MAYBE WE SHOULD JUST GO TO SLEEP...

Never! I'll make you cum buckets! Just you wait!

Ah... Cum they wont... but orgasm!

I KNOW I WANTED IT BUT... I KNOW IT'S NOT GOING TO WORK...
