

Ugh... I must've dozed off before Leona could... Could...

Riku  
Leona's Pregnant!

Leona  
AM NOT!

Punish...!

Riku  
Oh look your belly's swelling~

Leona  
S-STOP!  
HAHA! THAT TICKLES!

Ah... So pregnancy makes you ticklish.

T-THAT'S NOT! I'M NOT!

Go to bed,  
**COW TITS.**

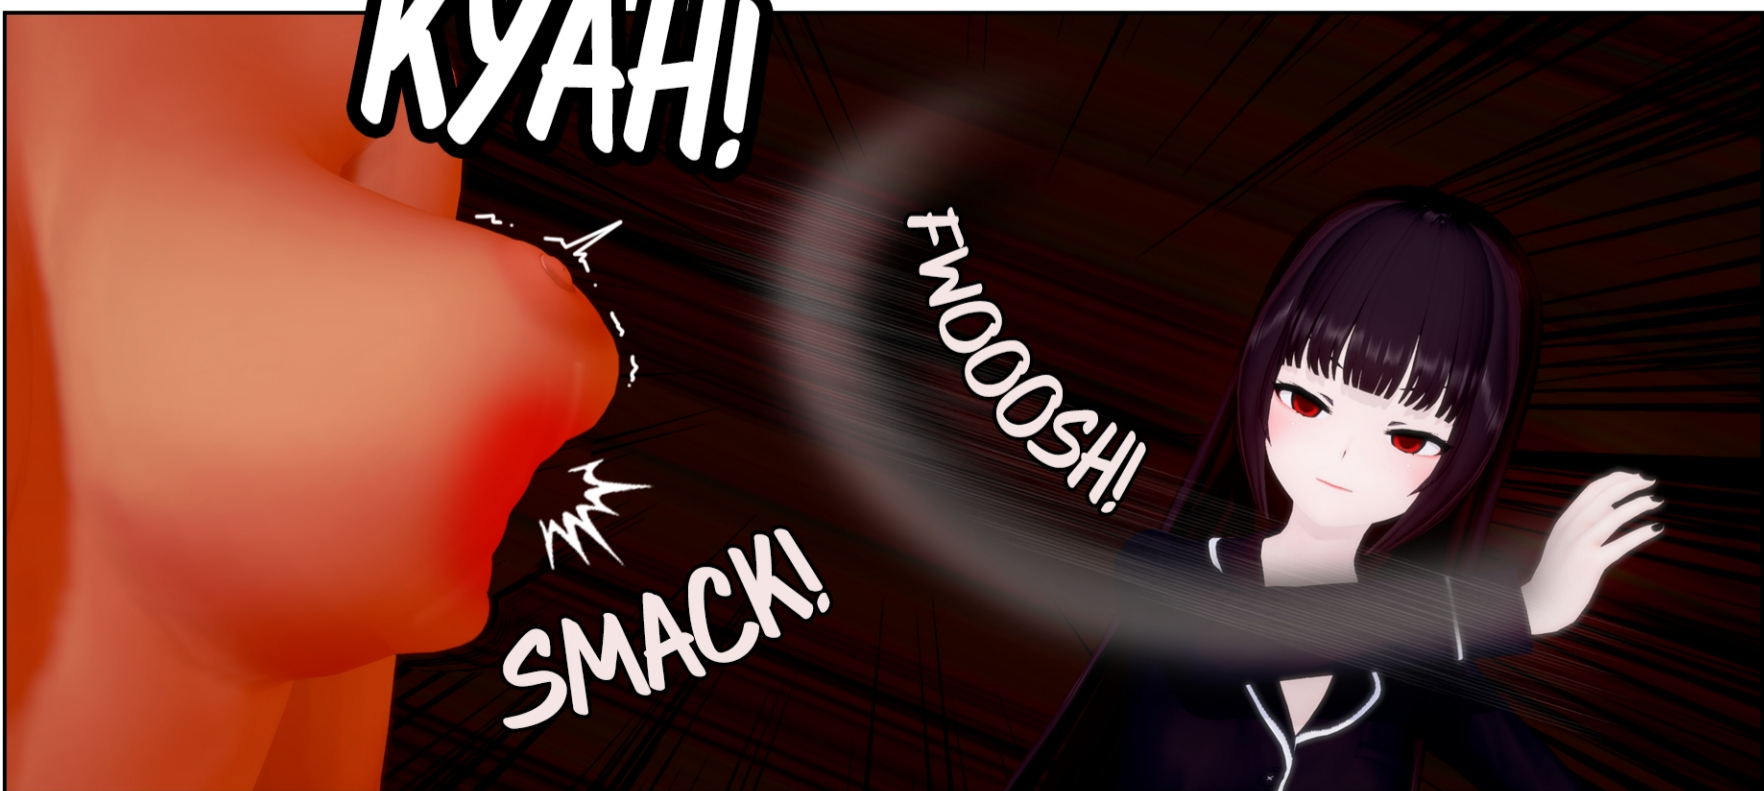

Better  
than no  
tits.

What's got  
her panties  
in a bunch?

Ah, shouldn't  
have said  
that...

Hopefully, I  
didn't hit  
a nerve...

I HIT A NERVE...

OUCH...

BED NOW.

A few days later...

Whisper...  
Psst! Leona,  
Mei's been acting  
strange, right?  
Any idea  
why?

Other than... no, I cant say that. Mei's yet to tell Riku...

Whisper...  
I... I didn't realise... Why...?

Whisper...  
For starters... we've done nothing lewd for days! Each time I try she cock blocks me...

When is that? Understood. Do you know of any shops that sell...

Funny enough, my family owns one.

They're open. Want me to take you? I'll get you a discount promise~

Huh? What were they talking about?

That would be great. Lead the way.

Here Tits

Mind if I speak with Leona real quick?

Go ahead.

With me... Why?

How's my favourite Keijo player doing?

Haha... G-Good and you...?

*Whisper*  
The girls noticed some creep was looking for you.

It's common after Keijo, so watch yourself. Tch. Stupid Perv's ruining the fun.

A creep is looking for me? Why... What did I do...?

T-Thanks for letting me know...

I kept it private, since it's personal. But you should really tell them.

Alright... Follow me everyone.

I'll tell them when we get back.

Huh?

Clack!

Don't fall behind!

T-That was just a... Um... Coincidence...

It's just down here.

Ah... I forgot to ask why we came here... Does Mei need new clothes?

MUM! I brought customers!

Mum... I hope she's okay...

Ugh, the spa again? Seriously, mum! Now I gotta handle... Whatever.

Spa?

Yeah. Great place, but the ol hag's a regular. Can't chill with her ya know?

Whatever. I'm taking over. What's the goal, girls?

I'm not sure...

Yukata. Red or black, if you have them.

Sweet! We stock those. What else do you need?

A Yukata...  
I've never worn  
anything  
like that.

Ooh, yes!  
VIBRANT colors!  
And short style,  
please!

The  
whole  
kit.

Got it!  
That's three  
Yukata sets, plus  
all your other  
stuff.

I can hook you  
up with a friend  
discount... but,  
I need a small  
favor first.

If I have to  
wear one...  
maybe red?

Okay,  
what  
is it?

Simple! I need  
new photos for the  
shop's social media.  
You guys model some  
of the clothes  
for me!

W-Wait,  
model? Me  
why?

As long as  
you blur  
our faces.

Ugh... Fine!  
You can  
wear a veil  
or something.
