

Red, for sure...
But the types,
what are they?

I've prepped a
variety for you guys!
Think short, long, stylish,
sleeveless... from light
colors to dark!

The Yukata are
ready inside! Come
on, who's going
first?

Riko
Me!

Mei
Quiet, you
big oaf!

Leona
Sleeveless?

Everything
you need is
in the box on
the left.

Awesome,
thanks!

Should I
go with
long one?

Should I ask Mei?
Riku and her always
choose the best...
I just don't know
what to pick..

Ugh... I can't...
Not now...
W-Why is it
so unruly...

Throb!
Throb!
Throb!

Hold on... Does
she want me
decide...?

I have to
choose myself...
What I like?

I-I'm
REACHING
my limit...

Ta-da! What
do you guys
think of
this look?!

Oh! Nice choice!
I knew Aqua would
suit ya!

Wow... it looks r-really good.

Heh! Makes me extra fuckable, right?

That's not what I meant...

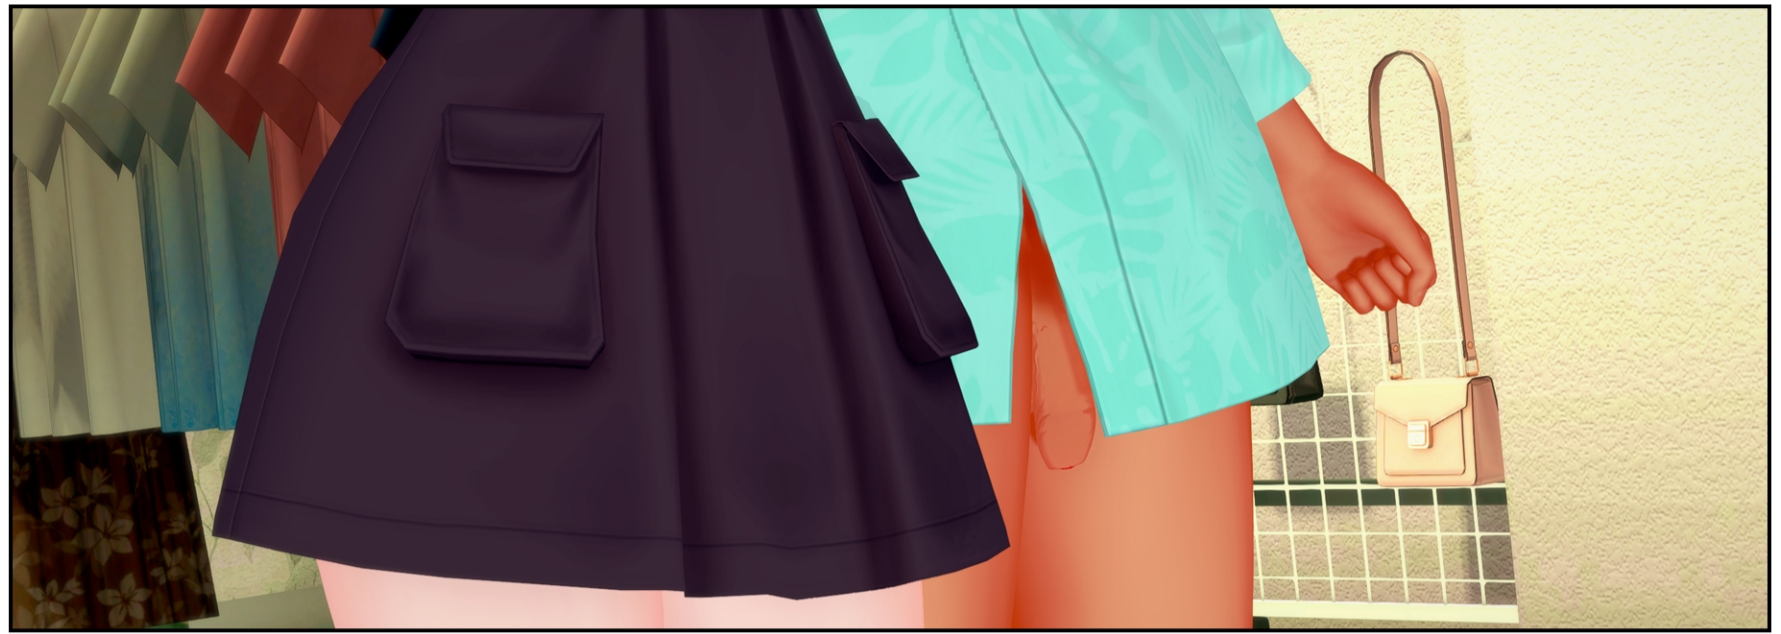

Hehe... Sure but You think you can handle the real surprise?

I'm next.

Surprise...? W-What?

No underwear, just bare cock~ Makes things easier, ya know?

If you know them then maybe... but strangers...?

You need help.

Suit yourself! But imagine the fun... You, me, and even Mei! Trying all night... secretly... in public! Ooh, that thought is getting me going!

In public... That's insane... So risky... Why am I suddenly thinking... I actually want to try that...

Too bad, Mei would absolutely shut me down... Speaking of Mei what's taking her so long?

CUM!
CUM!
CUM!
CUM!
CUM!

CUM!
CUM!

PLEASE!
CUM!

Mei! Yo hurry it up whats taking so long!

FAP! FAP! FAP!

Both girls are seriously cute, But Leona.. She's got that star aura.

AKK...
I'm changing, Riku! I'll be out when I'm ready. Just wait a minute!

Don't keep us waiting~

...Hands.

Well? HOW does THIS look... It FITS me right?

Riku
Ahem! Mine was better, obviously... But hey you look good! Very "dom" Suits ya!

Leona
W-Woah... The red and black... It's really... you look really good... Mei...

Leona
They're so different... I wonder what else is in there...

My turn!

You good? You look kind of sweaty.

I am perfectly fine. Not nearly as... unkempt as you

According to anime... you're not supposed to wear a bra with a yukata,

Riku went short... Mei went long. Which style should I try...

It feels so soft... and the colour... It's **CUTE**.

Mei **Riku!**

Riku I wasn't peeking!

Hmm
♪
Hmm

Long

Looking at Reflection

Woah...
I... I can barely recognize who I was before...

That's not so bad.

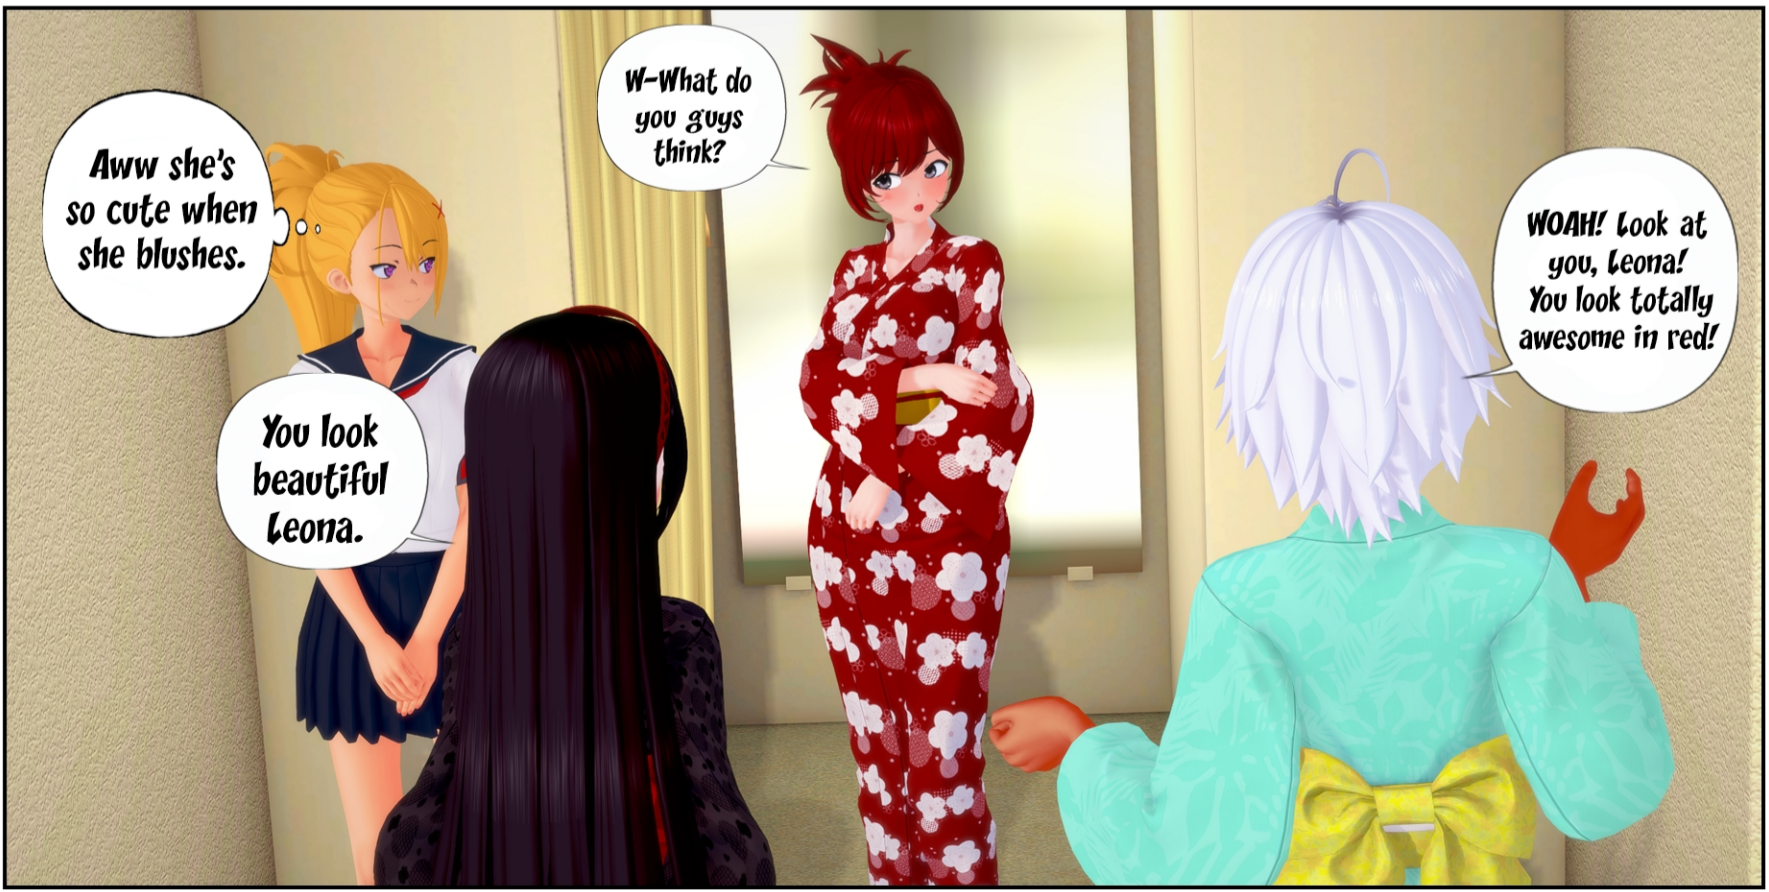

Riku

Riku
Coming eh?

I... I want to try more...

Aww she's so cute when she blushes.

You look beautiful Leona.

W-What do you guys think?

WOAH! Look at you, Leona!
You look totally awesome in red!

Ugh, she's so cute, but I bet she'd look even hotter with her legs spread in that long skirt.

Could we get the bill please?

Sure thing!

W-WAIT!

C-COULD I, UHH...

TRY ON SOME MORE? I-I'LL BE FAST... THERE'S SO MANY THAT I... JUST 1... 2 MORE?

Try more...? Leona does?

Ooh, that's a great idea, Leona! You should try out some of the small ones now! Right, Mei?

Uh, yeah... G-Go ahead, Leona.

She finally wants to... A-And I cant even think straight! I-I'm sorry Leona... I'd let you try out everything but... I really can't hold out much longer...

O-Only 2 more... We dont have time.

Thank you, Mei!
I'll be fast!

O-Only 2
so.. I know!

What about
this one? It's much
more silky,
and... and it has
a different
pattern!

Riku
It's nice. Yeah,
but it feels a tad
too mature for ya

Mei
I prefer this one.
The pattern is
so intricate...

W-What about
this one? It's
shorter... and
the sleeves are
gone...

Mei
Leona, y-you
look... AHH.
Throb... Throb... Throb!

Riku
OH MY
GOD, YES!
