

I WAS SO CLOSE...

PUNISHMENT? SURELY, YOU JEST?

Not at all!

SO THIS IS THE PRICE FOR DOZING OFF.

FINE, I OWE YOU. BUT FINISH THIS FIRST! WE'RE RISKING BEING CAUGHT.

You can't masturbate for a week. Understand?

FAP!

FAP!

AYHHH I AGREE...

FAP!

FAP!

EH? WHY DID YOU STOP AGAIN?

I didn't say I'd finish! Hehe!

L-LEONA I DON'T UNDERSTAND?

I realised! If I don't do it... and you can't touch yourself...

Then you're basically in a chastity cage!

Hehe! A chastity cage made out of a promise! Mei won't break a promise!

No need to figure that out anymore~

REQUIRES TESTICLES.

To think she manipulated me...

Still, a week is excessive for a simple punishment.

Sigh

How about we change it into a challenge? We both endure the week being chaste

The loser will have to satisfy the other's lust completely. Nothing is off limits to the winner. Free reign. Understand?

That will be after
visiting the doctor...
So I'd have my thing
back... But it's her
punishment...

But it's your
punishment...
Isn't it a bit
unfair...

I suppose you're
right. Then you will start
with an extra life, in a sense.
If I fail once, the challenge
is over, but you get
two chances

Hmm... It's
risky... I get an
extra life though...
And Mei's already
on edge...

What will
it be Leona?

Let's
do it!

That's
my girl.

Wait...
Why does
she seem
fine now?

Let's go
we've kept
them waiting
long enough.

T-THIS IS GOING
TO BE HARDER
THAN I THOUGHT...

She was definitely
on edge a moment
ago... Did I make
a mistake?

I'll definitely
win!

Smile!

Look at
the camera!
Cuter!

Pose!

Ka-chik!

Try smug!

Think like
"Aha!" moment!

More confident!

Ka-chik!

Your instructions
are kinda meh. Plus,
this is so dull! Can we,
like, make it sparkle with
some sex appeal? Please?

...It's not my fault.
I'm not allowed to
make it "adult" in
a sense. Mom's rules.

Can't we
you know
skirt the rules
a bit? I'm good
at that ya know?

Hmm, maybe?
What do you
have in mind?

Let's see...
What if it's like...
Showing how
unrestrictive the
Yukata are?

That might
work. Show me
a pose.

It's good but...
A bit more focus
on the outfit
would be
better.

Ah... Yeah... My
legs are stealing
the show, huh?

Hmm... So...
So! what's like
allowed? Anything
we can do
that's fun?

Hmm... Romantic
and couple poses
are allowed. We
could push those?

Sorry for
the delay.

I hope she's
wearing
parties...

Yuri couples should be fine as well.

Yuri couples...? What exactly are you two doing?

It's hanging out! What's wrong with her!

Trying to get the perfect shot. So one of you want to step in?

Hmm... For the perfect shot you would need...

Why are you smiling at me Riku! Hide it!

I need some more time to soften... I don't want any photo's that may reveal what's beneath...

Leona. Go and take some pictures with Riku.

Huh? Ah, okay.

L-LIKE THIS!?
S-SHOULD I HAVE
MY ARM HERE?

Just act
natural.

Just stand
normally...
What are you doing
with your arms...

ooo

W-WON'T IT
LOOK TO
BOYISH
THEN?

Boyish? Do
you really
think that?

Every beauty
has their vice,
I guess.

You got
that right.

Y-YEAH?

Then let
me help!

EEK!

Honestly, it's like you don't see what we see.

W-WHAT DO YOU SEE?

Isn't it obvious!

Leona's a true beauty right guys?

She's gorgeous. I've never seen anyone more beautiful.

Totes. She's definitely the cutest girl I've ever met.

YUKA'S YUKATA
