What's the matter? Cat got your tongue?

I-I was just thinking it's going to get in the way!

I'd love to try a few more styles, but it looks like we're running out of time

This took longer than expected... I completely lost track of time.

COME ON!

UHH?

YAWN

We must've fallen asleep talking about tomorrow...

Riku...? What's she doing up?

OUCH!
UHG!
PLEASE!

Tch... at this rate I'm just gonna chafe. Come on... wake the hell up!?

FAP! FAP! FAP!

Riku? What are you doing out here this late?

Ah my bad. Didn't mean to wake you.

It's fine... but are you still... having that problem?

Yeah... It's a struggle. Getting it up is one thing, but keeping it there? It's hard... Wait no, it's soft.

D-do you... need a hand... With it...?

I've been there... am there... I know how much it sucks.

That's kind of you.. I do need a hand... Or in this case a foot.

A foot?

Why would you need my foo-Ah...

A moment later...

Woah... Beautiful!

Shut up... Let's just get this over so we can go back to bed...

And you of course!

Wah! So soft! I think this will work!

...I don't get why you like this...

They are cute! Look at em!

It's not like my feet are cute...

S-Sorry... I was close for awhile so... Yeah... We should sleep right!

W-Why are you... Wait! W-WAIT!
