

6:00 AM

RIKU!
HURRY UP!

YAWN!

Sheesh! You quite a moody gremlin in the morning.

Moody!? You jumped into the bath after I filled it!

Why do we have to wake up so early... It doesn't start till like 10...

Mmh...
Ow... I really should've worn something underneath...

...although, isn't that just... how you're supposed to wear them? I guess my chest is... My breasts are quite sensitive.

**They don't feel that different...
But... It's odd?
Were they always this heavy?
...and my skin feels tender...
no, tighter?
I'd notice if they got bigger right?**

Aaah~ would you quit groping yourself already? You gotta get ready. Not that I dislike watching~

I'm not groping myself! Not everything has to be perverted you know. They just feel a bit weird I think the Yukata rubbed against them too much.

Haha... Is that your excuse? Ya know they are made to be worn braless right? They're super soft!

That's what I thought... But they feel tender... a bit tight? Kind've ache around the middle...

Hmm... Is that so? I got that too when mine grew in. When did it start?

**Yesterday...
But what did
you mean by
growing in?**

**Like my breasts
weren't always this
big silly! They grew
over time!**

**So what I'm
saying is... I think
you might be going
through a growth
spurt.**

**Which is kinda weird
though... didn't you get
implants a while back? Didn't
think they could grow... Ah!
Ya know maybe it's because
you don't have
testes?**

**W-Wait...
Didn't the doctor
say I have... Ovaries?
Then... Gulp!**

Eh..?

You good?

Don't worry.

**They probably
won't get much
bigger.**

**Usually how big they get
follows the mom right?
So you'll probably end
up around the same
as her!**

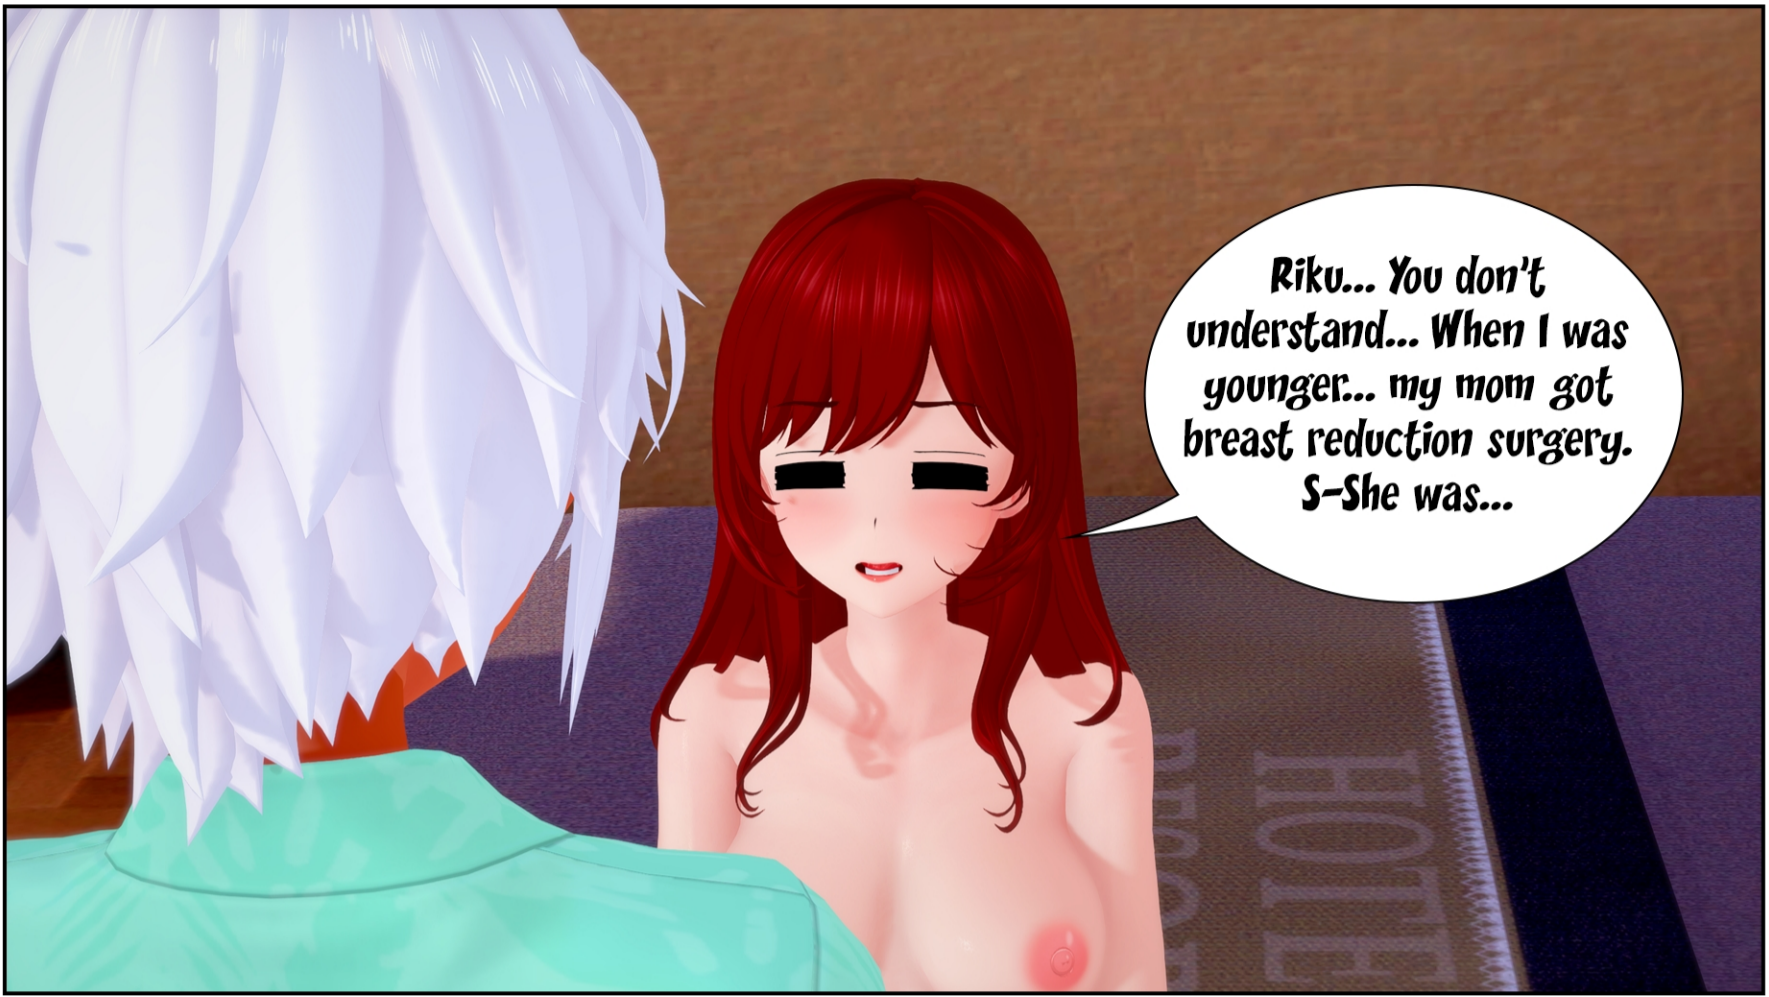

**A-AS BIG
AS MY
MOM?!**

**So! How big is
your mom's
breasts?**

**T-THEY'RE
SLIGHTLY
BIGGER THAN
YOURS...**

**I guess she
doesn't want
big ones...**

**Eh... don't worry
about it! You probably
won't even get that big,
just a little closer maybe?
Mine didn't make it to my
moms size so you'll be
fine.**

Riku... You don't understand... When I was younger... my mom got breast reduction surgery. S-She was...

G-CUP?!

Kyah!

Leona.

...MAYBE SHE'S WRONG? AND IT'S JUST TENDER...

HUH?

GRAB

I will pray for your back.

...and when you're a G cup~ I'll ride you all night~

EH?

Must they be so rowdy in the morning...

JOKE!
IT WAS A JOKE!
