

Yuck... Yeah, no. Hard pass. ...I guess not every stall is gonna be a winner, huh.

Those two chugged it like CHAMPS you though... better luck next time~

...Wait. This taste... it's exactly like that herbal medicine Mom used to brew for Dad late at night...

It made them STIFF...? W-Will it affect me too...? N-No... I'M NOT... I mean... ..But I DO HAVE...

Hm~? ...Oh?! OH!! Pfft, Hehehe~ Wakey wakey, old friend!! I've missed you!!

Dammit...! ...Not in public. Absolutely not in public. I refuse. I REFUSE...

Ahh... yep.  
Lost again.  
I'm on track  
for a perfect  
losing streak...

Ohohoho~!!  
The stars have  
aligned~My little  
game... it's finally  
time! Now who  
should it be...~?  
Tehehe

...Good.  
Leona hasn't drunk  
much... so it doesn't  
seem to be affecting  
her. That means I can  
focus on myself. Just  
breathe. Relax... I  
can control this.

You two have  
fun. I need  
to use the  
bathroom.

Mhm.  
Yeah go  
ahead~

Huh...?  
...Her face was really red. Did something happen...?

Psst! hey. That game I mentioned before. Tell me you prepared for it~?

Wha no I didn't prepare, obviously! H-Hold on a second... ...A-Are you... not wearing anything... down there?!

Because I did~ And I am RARIN' to go~!!

*\*GRAB!\**

Y-You need to be careful what if someone sees!

Absolutely nothing~

Sooo~ Wanna go at it right now?

ABSOLUTELY NOT A-and! ...W-Wait. Didn't you have that... ya'know..... Getting up issue?

Funny thing about that. ...That weird drink sort of... sorted it out!

...It's poking me. So the drink... fixed it for her. Wait. If it did that for her... then would Mei also? Is THAT why she ran to the bathroom?!

AH... REJECTION!

No. Not happening and stop asking. Now put that thing away. People are literally walking past us.

Well... we got a teensy little problem or big one in this case~

Hm? What's that?

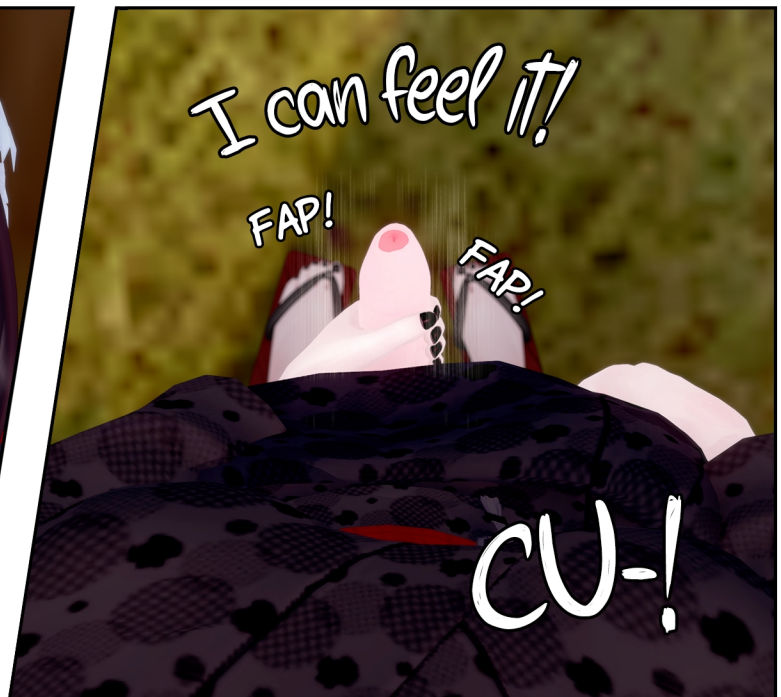

I can't put it away... That drink... I don't think it's gonna calm down. And if you were to move right now...

Ah...  
...I get the picture.  
...I-Then we need to hobble somewhere private.

We need to get outside the festival grounds... ..Hold on.  
...Isn't that Mei?

W-What do I...  
how do I... what  
is the appropriate  
response to this  
situation...

I was going  
to tell her  
eventually...

Sooo...  
How long has  
THAT been a  
thing?

...It hasn't  
been long. Leona  
knows already. I  
was going to tell  
you soon.

...Ah. She's  
upset.

...I'm sorry  
for hiding  
this from  
you.

It's fine. You  
owe me one  
though
