

H-He never said anything...

About wanting this... H-How could I not know?

When did you... I... I mean... Nevermind you don't have to answer that...

EH?

HUH?

**She's alone?
T-This is
going to be
awkward.**

**Ahh... Good
morning?**

**You're...
Mei right?**

**Can you... can
you answer some
questions about
Leon?**

Uh... sure.
Yeah, go
ahead.

How
much do
you know
about Leon's
situation?

Everything.
Since the start. I
found out pretty
quick. They needed a
lot of help at the
start.

You've been
helping him?
T-Thank you.
I'm glad he has
such a good
friend.

But there's one
thing I don't get... If
this was a disguise, why
is it real now? Was this...
did he always want
this?

I uh... I feel
like you should be
asking them this.
Not me.

I-I never wanted this before...

But now... I... What would I say if she asked me?

What's up!

**KYAH?!
R-Riku?**

Ah um... Did your mum say anything about... Me?

Eh? No why would she you only just met.

Ah
no reason!
So what's got
you so down?

I'm not
down... Just...
There's still so
much to talk
about.

Is
that all? I
can tell your
hiding some-
thing.

Well... I
guess... What if
she hates me
now?

Of course
she doesn't.
She's your
mom dude.

What makes
you so sure
she doesn't
hate me?

Trust me! Tell me did she say anything to make you think that?

Well no but she could just be hiding it, so she doesn't hurt me?

If she hated you she wouldn't hide anything. Besides she was drunk last night right? And drunk people don't lie.

What does that have to do with...

AH

You look really pretty, sweetheart.

And about everything else. Catching up and all the questions stuff?

You have all the time in the world. Just take it slow.

Hmm...

Woah that actually helped a bit. What did you do with Riku?

Oh and one more thing... Don't try anything weird with my mom.

I would never **KNOWINGLY** do anything weird with your mom!

This whole thing still doesn't add up...

Was the disguise the truth all along?

*What if it wasn't...
T-Then...*

I... I need to know if Leon wants this now.

I will ask him
is this what he wants?
