

Mom. Leon.

I need to ask you something-

There's something you need to know.

Leon...

I... I never wanted this. There's no way you could've known.

OH  
MY... WHO IS  
THIS BEAUTIFUL  
GIRL!

At first it was a disguise.

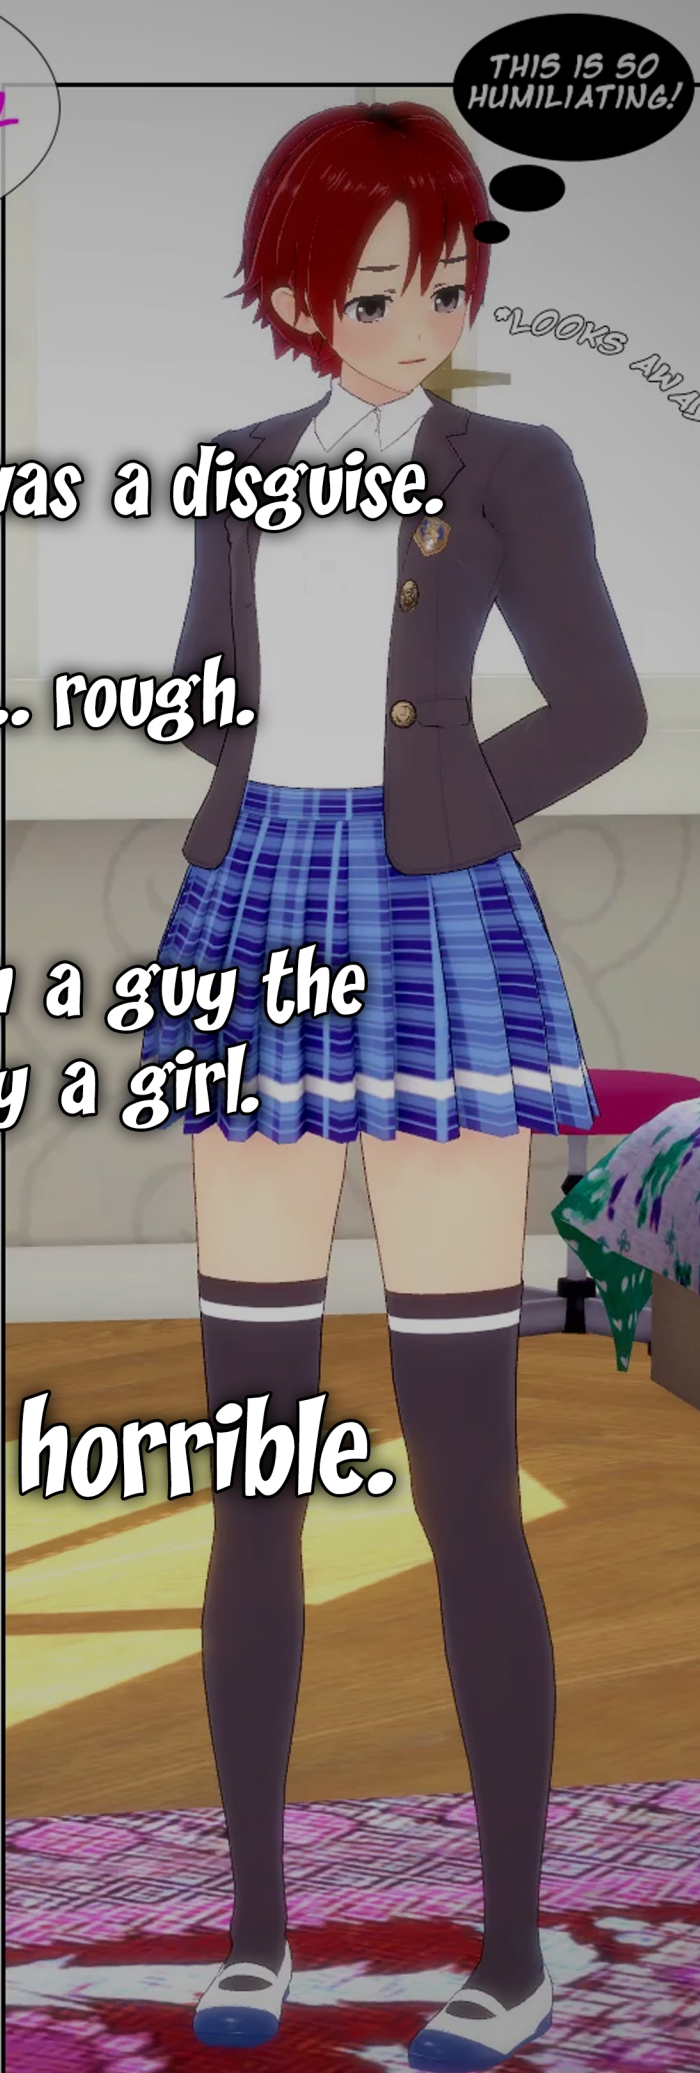

It was... rough.

One day I'm a guy the  
next day a girl.

I-It was horrible.

\*STEPS\*

\*STEPS\*

THIS IS SO  
HUMILIATING!

\*LOOKS AWAY\*

**Everyone was looking at me different and I hated all of it.**

CRINGE...

WITH THE  
BLAZE OF MY  
SPIRIT AND THE  
BRILLIANCE OF MY  
MAGIC, I SHALL  
IGNITE THE PATH OF  
JUSTICE!

I started to enjoy  
doing stuff I  
never thought  
I would.

WOBBLE..

*I like it.*

It's true. My old clothes never made me feel this way. They were just... worn. But now, I like how it feels...

Ah, perhaps you hadn't noticed before because male clothing never evoked such feelings in you.

No... I like how I look in them.

Hmm... If you were to wear male clothing now, I wouldn't be surprised if you felt wrong in them.

**I started to like it.**

After all, once you've tasted the comfort and confidence of femininity, it's hard to revert back

W-Which is fine! After all... Wearing feminine clothes doesn't make me a *girl*... I'm still a guy.

Now...  
Time for your medicine say "ahh"

I-IT WAS SUPPOSED TO GET BIGGER!

W-WHY IS IT SHRINKING?!

IT'S TOO SMALL!

IF IT SHRINKS ANYMORE !!

**There are still parts I hate and wish I could undo even today**

SQUISH!

SQUELCH!

CRUNCH!

I like your dress it suits you!

\*Twinkle\*

Thank you, Leona... I love yours as well.

\*Twinkle\*

But...

\*Twinkle\*

Riku  
Wow! Mei's being so aggressive!

**Ka-Chik!**

**If that meant  
losing what I  
am today**

**Yeah it  
is now.**

**I see...**

**I love you  
Leona.**
