

They've started to hurt...? Are you...  
Are you um wearing a bra?

I do. Sometimes but... It's not that. They just... Start to hurt randomly now.

I was just wondering if you know... This means they're... Um grow-going to be okay?

I uh... If you are that worried we can go to a doctor? I'm sure it's nothing- Ah.. Oh.

I see... Well  
it's natural...

From experience I  
know the signs of a  
growth spurt... Is this  
Leon's way of asking me  
to check them?

I understand. We  
should get inside.  
I don't want you  
catching a cold.

Huh...  
Uh yeah?

If mom didn't say anything it's probably nothing right? Riku... you had me worried for no reason...  
Phew.

Okay deep breaths! I need to show Leona I can treat her as my daughter with no issue!

Mom?

Don't worry Leona.

Take your top off.

WHAT?!

B-BUT WHY?

To check them obviously.

I'm sure it's just a growth spurt but we have to make sure.

N-NO IT'S FINE...  
THEY DON'T HURT ANYMORE  
I'M OKAY...

Leona I know this is embarrassing.

NO! S-STOP!  
OKAY, FINE, I'LL DO  
IT BUT STOP!

WHEW... THANK  
GOD HE SAID NO.  
I WAS TOTALLY  
BLUFFING.

MOM'S GOING  
TO CHECK MY...  
MY BREASTS...  
I... I CAN DO  
THIS.

It may feel a bit weird but I'll be gentle. Promise.

Oh... Wo-Ah I mean does it hurt?

N-not really It just feels a bit dull?

Dull... Hmm let's check the other one as well.

H-How about this any pain?

Same as before just dull...

That's good news. I'm going to squeeze them a bit now.

They're perfect... I miss when mine were so perky.

T-They still don't hurt that much...

\*SQUISH\*

I guess they're just a bit sore... Ahh... I thought... Can I put my top back on now?

Ah not yet. There's one place left to check. If it hurts here...

POKE!

AHH!
