Ah. I suppose finishing like that was a bad idea... I ruined her clothes...

Leona... W-We have so much to do and so much for me to teach her...

Ah stop it! S-She's my daughter now! S-Stop thinking... About losing a son. Just stop it!

S-She may no longer be my baby boy b-but she's still my baby!
I love her. I do. So why won't my heart stop hurting? It hurts so much.

What to do what to do...
I wanna do it... But can Leona do it properly? Like I don't want to ruin my frist time if she can't perform...
Should I ask Mei instead? Ah but I don't want her to get smug about it!
Uhh! I'll just see if Leona can do it and if she can't I'll do it with Mei!
