

Perfect.
I knew it'd
match you.

Ha...
Thank goodness this
last-minute outfit works.
Luckily, I had some tape for
her breasts... No way any
of my bra's would fit
those things.

This is worse
than being
naked...

Having my breasts
covered with tape is one
thing... But why does
the skirt not have a
front!

M-Mei are
we ready
yet?

If I wasn't so stressed about the key I'd ravish her till morning... Ha...

Mei? Are we done?

Ah... Yes, I was just taken aback. You really make for an impressive dom.

T-Thank you...

Now, Miss Peeping Tom, it's time for you to come inside.

Coming~

Woah! Tape for a bra! Horns... Hmm I get it! Because your horny! Hehe!

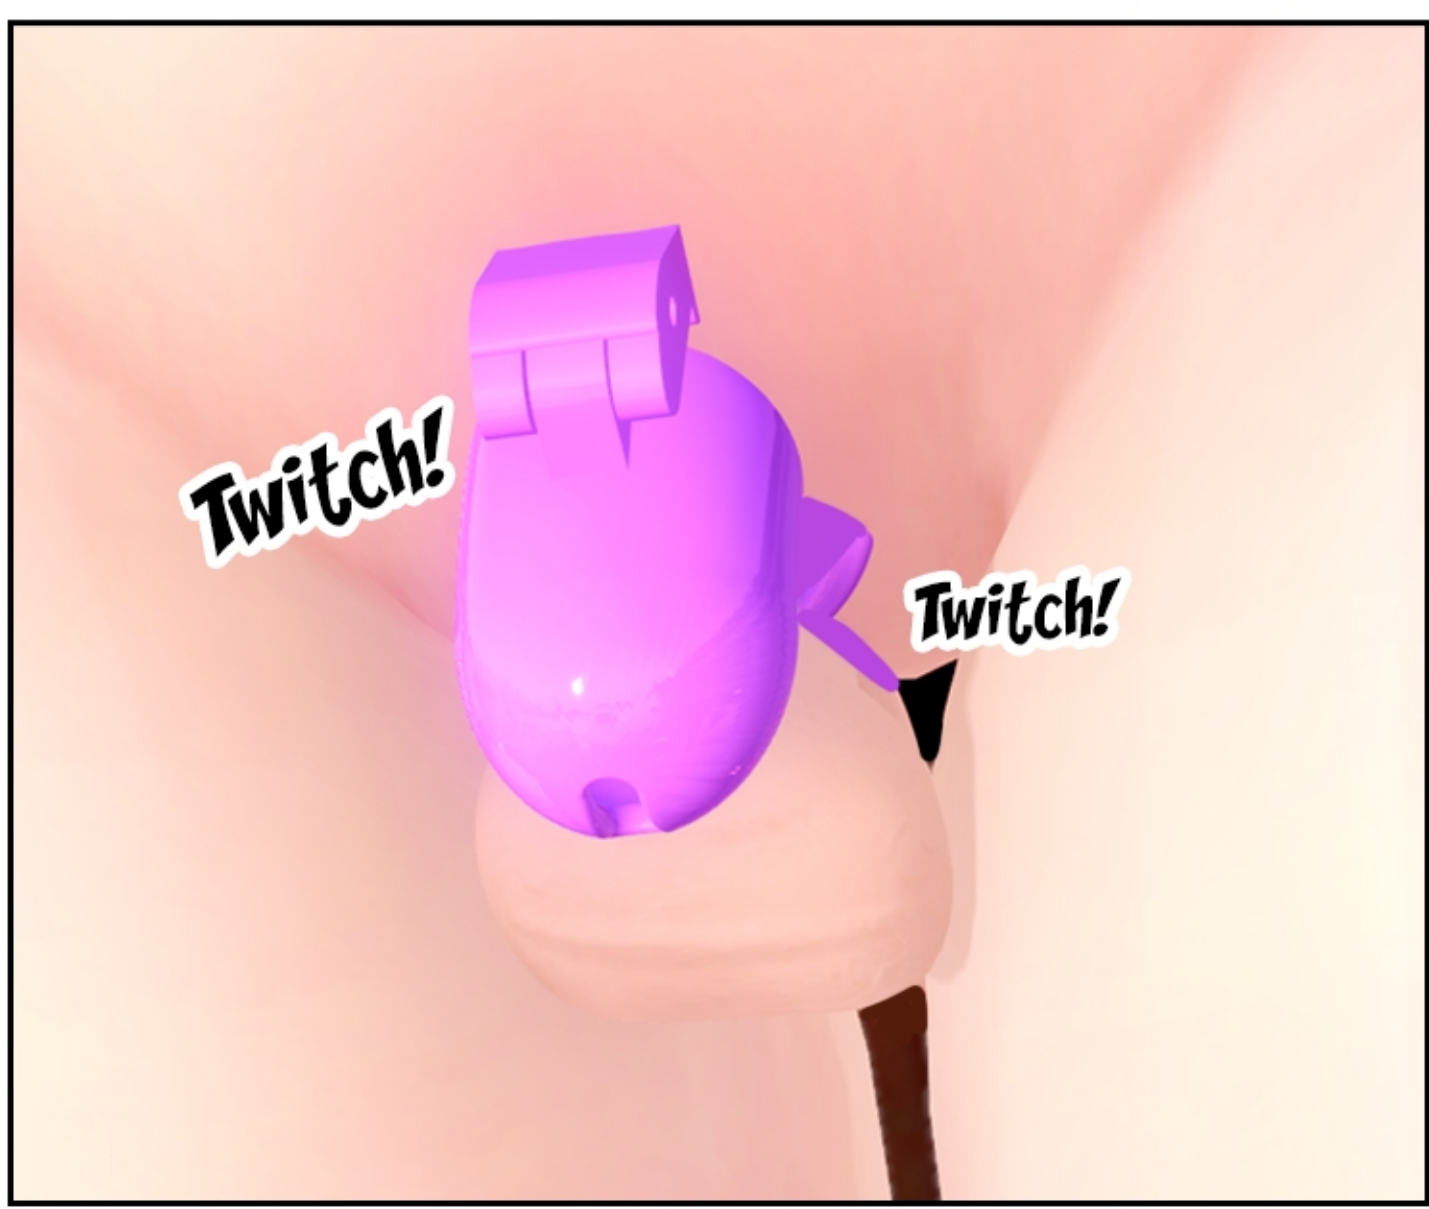

Phew... She's focusing on my breasts not... Ah... She's...

Naked...

I cant wait to play with them. Like she did mine!

Twitch!

Twitch!

Hehe!

...She laughed at it. I guess I knew that was coming...

Care to explain why you're not wearing an outfit, Riku?

Because you girls deserve the full package. And besides... Our dom here has been eying me up like a dog. Since I took her anal virginity~

Isn't that right Leona?

What are you talking about?!
We didn't! We didn't!
It was an accident!

Ohh, is that so?
Well, we're definitely talking about that later.

It was Sakura...
But like I'd say that..

However, I took her anal virginity first. You merely got there second. Tell me... Have you lost yours yet?

Sometime later...

Blah!

**Then I took
her ORAL!
VIRGINITY!**

**Like that
matters!**

Wasn't I supposed
to be the dom...
Now they're
fighting...

Hmm... Maybe I should
try acting a bit dom...
Like... Maybe Lilith? She's quite
powerful. Maybe if I try to
imitate her. I hope
this works.

Enough, both of you.
I don't want to hear
another word. Unless
you're begging, screaming,
or saying yes, mist-ma'am,
keep your mouths
shut. Understood?

**Did you
hear me?!**

Your a natural.

Thanks... So uh... What next?

Milk her dry.

Milk...?

**Milk her dry?!
↳like a cow...
That's... Gulp!**

Let's do it!

Later...

W-Wait
I'm milking
that!?

Go on.
Milk me~

Indeed. But
remember you
decide when
she cums. Edge
her. Let her cum.
It's up to you.

Thirsty? I wont
mind if you
drink from the
source... or suck~

She's being so
cocky! I'm the dom.
Not you!

Hmph!

I'll show
her!

Oh?

Dont be
scared~

Did I say
you could
talk?!

KYAH! M-MY
BALL-EEK!
