

Of course she's gone. Should've known.

Actually, I do. Would you happen to know any doctors around here?

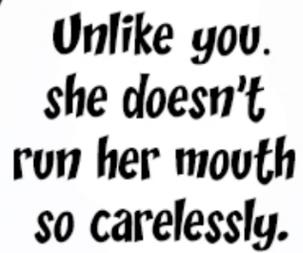

Mhmm, competition's got one on standby. If it's just a quick check, they're your best shot

Good... I need to get Leona checked. That bruise... I hope it's not what I think it is.

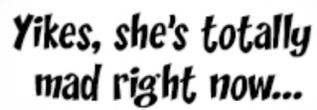

Huh?

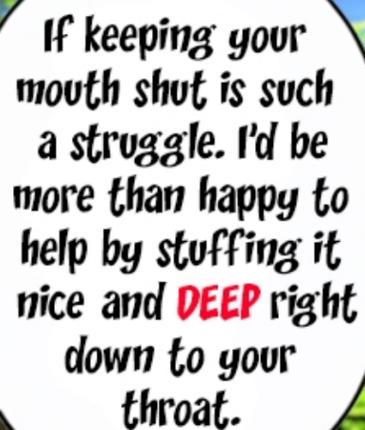

Unlike you.
she doesn't
run her mouth
so carelessly.

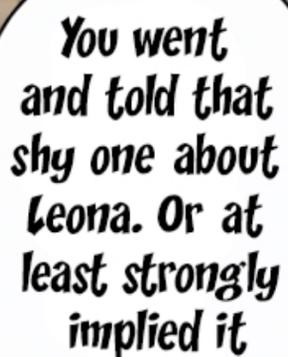

Yikes, she's totally
mad right now...

What did
I even do?

If keeping your
mouth shut is such
a struggle. I'd be
more than happy to
help by stuffing it
help by stuffing it
nice and **DEEP** right
down to your
throat.

K-Kinky!
But like...
What did
I even do?!

You went
and told that
shy one about
Leona. Or at
least strongly
implied it

Oh,ahaha,
my bad...

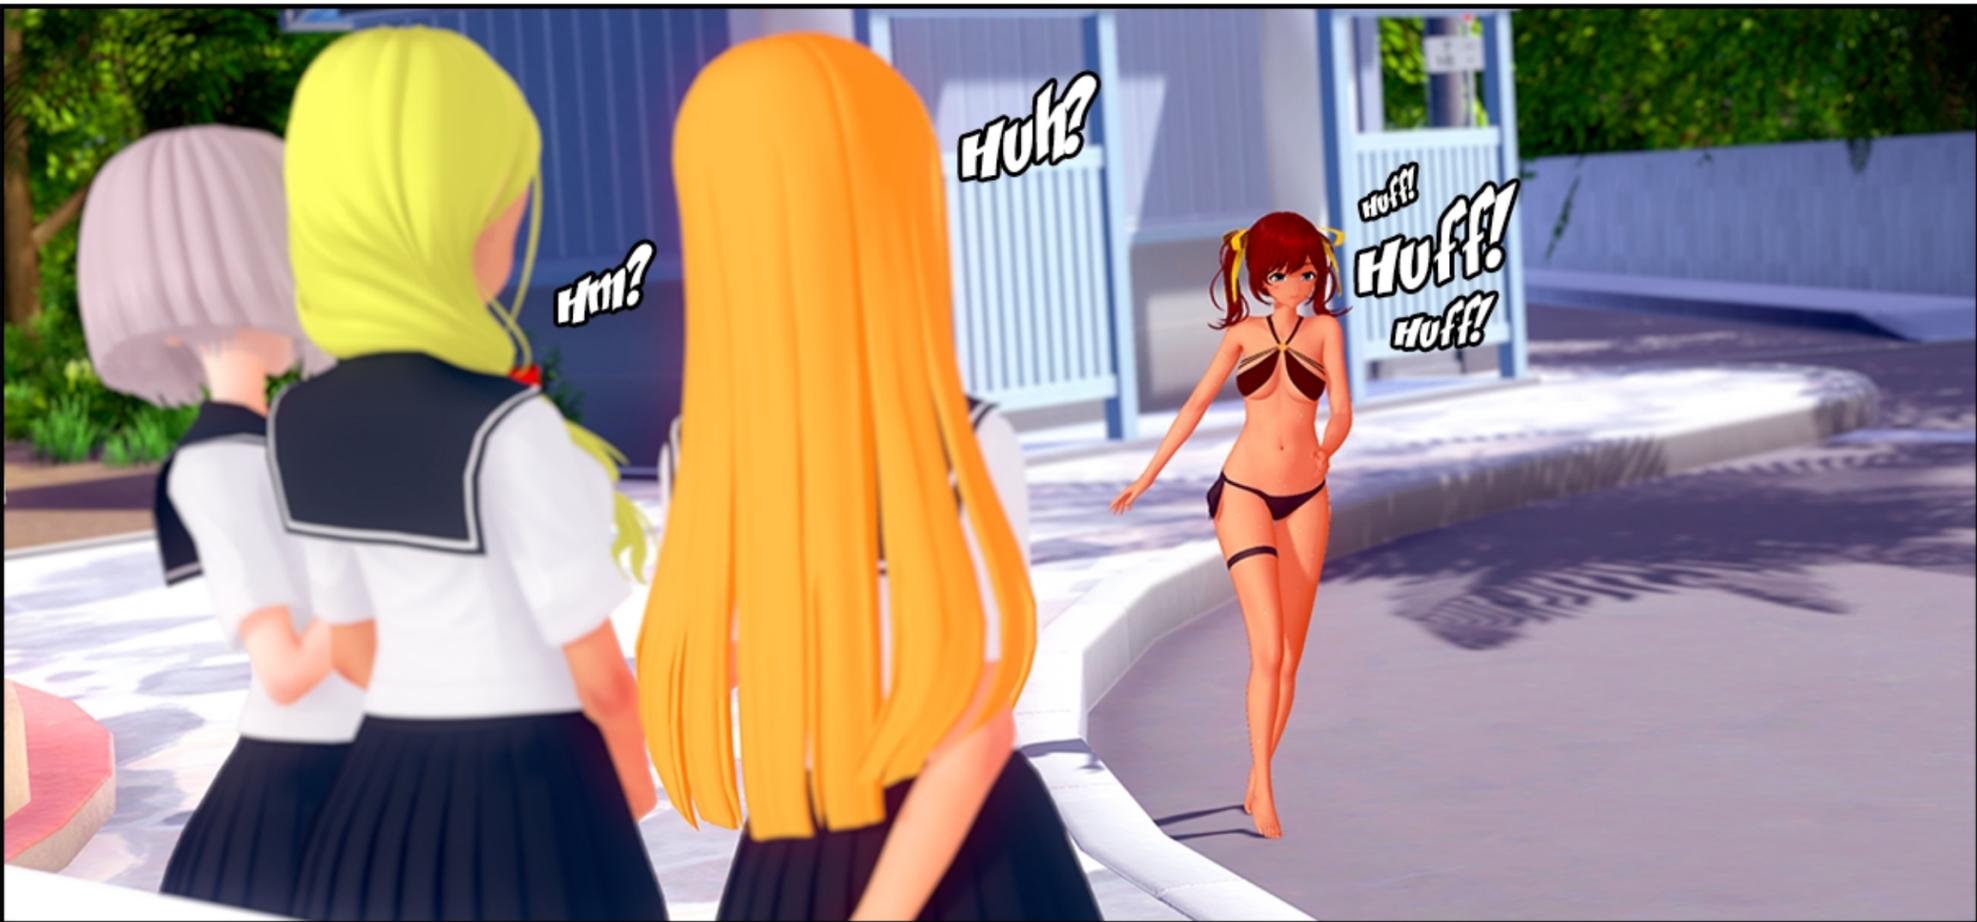

I'm in
trouble...

Meanwhile...

I heard the last team signed in! The competition's gonna kick off tomorrow!

Hm?

Huff?

Huff!
Huff!
Huff!

When did it get so hot... and why do my legs feel like they're going to explode...

A-And where am I...? I'm sure I went the right way... Ah... now my hips are hurting...

Huff!
Huff!

Excuse me?

Are you okay? You're sweating a lot and seem like you're having some trouble walking.

Y-Yeah, I'm fine... just a little... off...

Ohh... that time, huh? Well, if you need anything, I got you! Us girls gotta stick together, right?

Wah?! No-! Uh!

CRACK

CRUNCH

WATCH OUT!

WHA?!

THWACK!

HK!

Ahhhh...

Ahhh...

Don't worry, we'll take care of you! I am the class president, after all!

Throb!

Throb!

Throb!
