

Haha...
That's a pretty
manly way of
thinking, Mei.
But thanks.

I wish I could do
something to
help with
his family...

Wait... maybe there
is something I can do.
If I just give them
the chance to talk...

Leona, do you
want to talk
to your family?

I.... I can
talk to
them?

Yep, it should
be fine.

So much has
happened where
do I start...

Ring!
Ring!

Under normal
circumstances, contacting
someone you know while in witness
protection would be utterly out of the
question. However, considering the
situation isn't genuinely legitimate,
this should be perfectly acceptable..

Kachik!

**Sniff... Hello,
who is it?**

**H-Hello!
I-It's...
Uhh...**

**Hopefully this
will cheer
her up.**

Are you okay?
I-It sounds like
your crying?

I'm sorry...
It's just my
son recently
passed away

Passed away...?
What is she-!

WHAT ARE YOU
SAYING?! I'M ALIVE
MOM! IT'S ME LEON
I'M NOT DEAD
I'M HERE!

IS THIS SOME
SICK JOKE?!
MY SON IS DEAD!
HOW DARE
YOU DO THIS!

Leona! Hang up
the phone now!

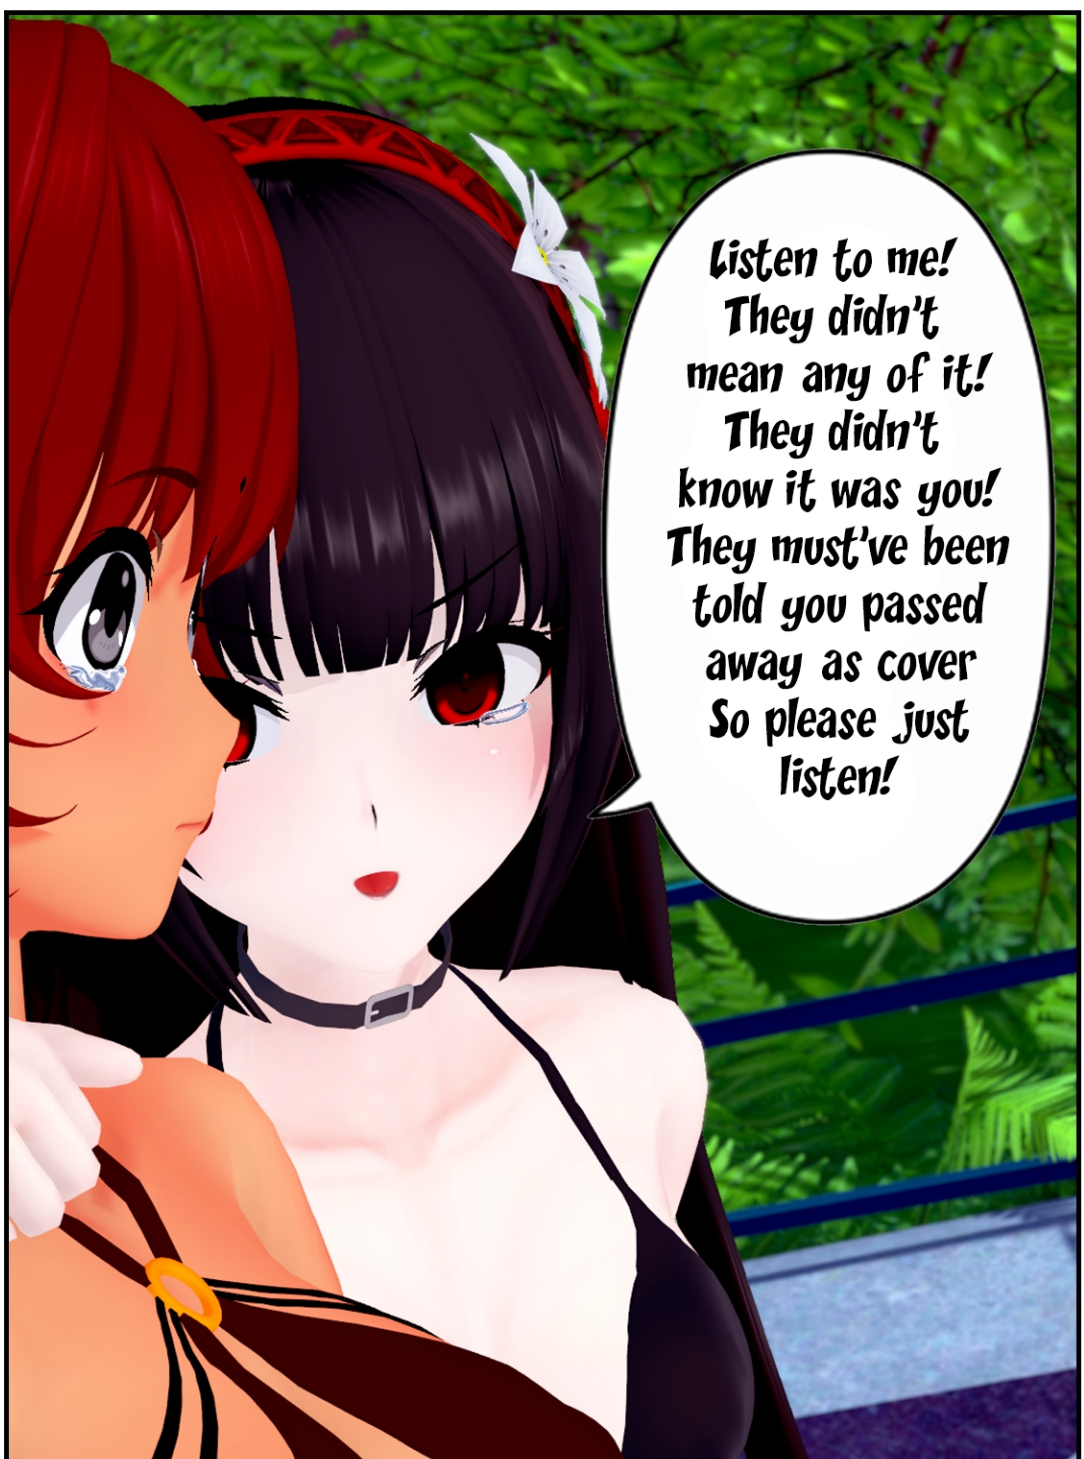

Hand me the phone!
LISTEN HERE YOU BITCH!
IF YOU EVER CALL MY WIFE
AGAIN AND TRY TO PULL
THIS SHIT I WILL CALL THE
POLICE! NOW FUCK OFF
YOU WHORE!

No dad! Please
it's me! I know
I sound different
Kachik!

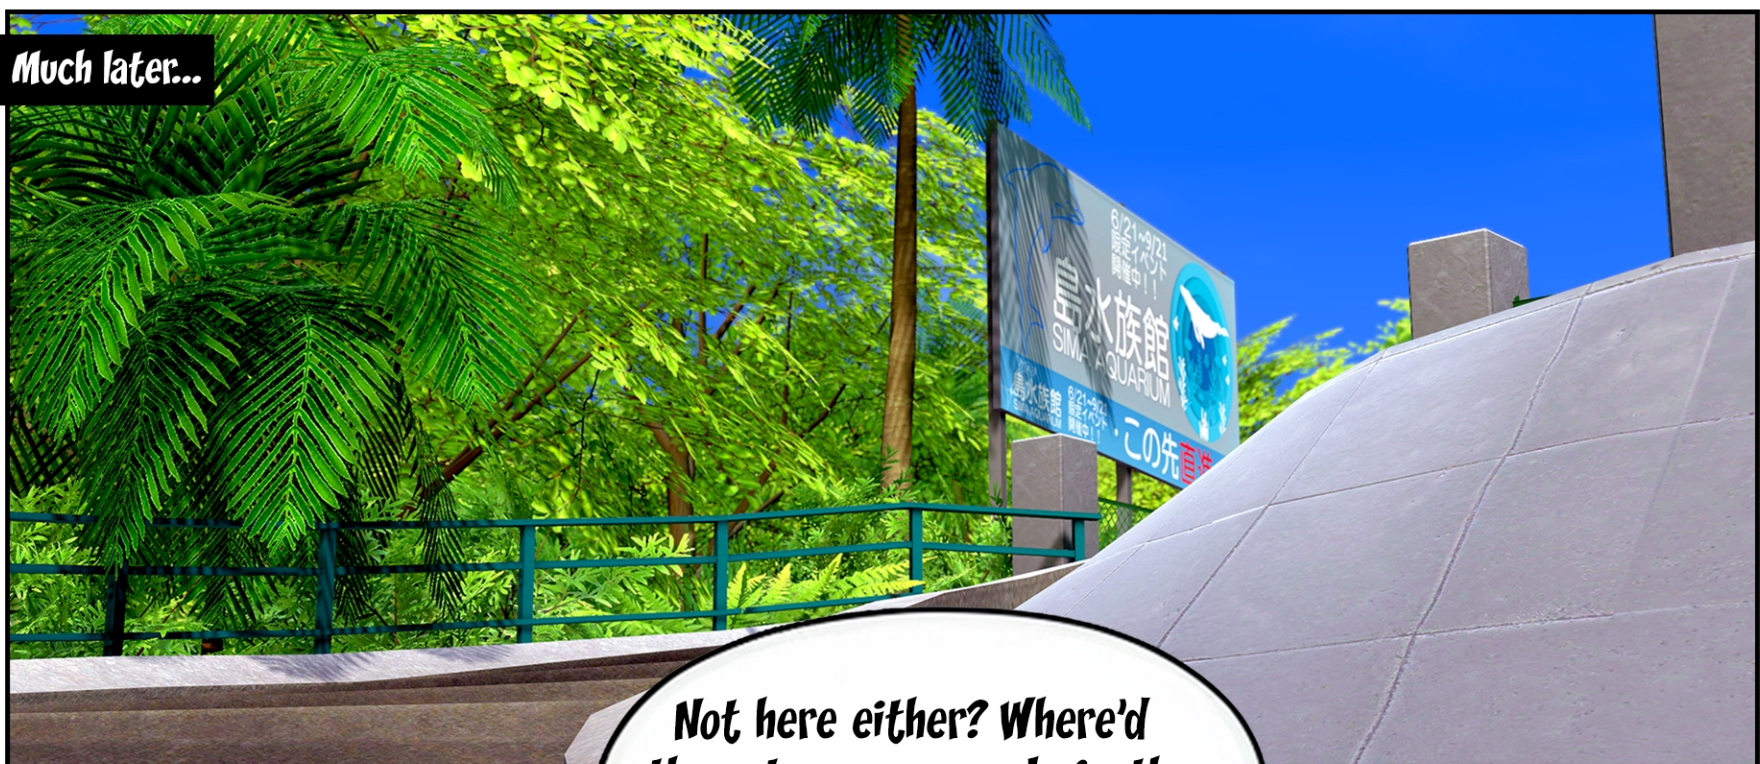

**I'm so sorry
Leona! This is
all my fault!**

**listen to me!
They didn't
mean any of it!
They didn't
know it was you!
They must've been
told you passed
away as cover
So please just
listen!**

Not here either? Where'd those two go so early in the morning! And without inviting me! Hmph!
