
Michael Burton's penthouse
Sigh Another year is going by... Where's the festive mood? Who knows... Since Jane's passing it's hard to bring joy here. It doesn't make it easier that Steven closed himself off, spending all his time in front of a monitor...
I wish I could be closer to him, to teach him stuff, to make a fine man of him... but business doesn't spare me with free time.
He's 21 and I still haven't seen him with any girl... At this rate Burton family risks being left without descendants... God, I hope he's not a gay.
Well, I know how to bring him out of his cocoon... Something tells me that this year will finally make a difference.
You'll get the best Christmas present you can ever imagine, son.
AIDolls

Hey, Steve! Can you give me a minute?
Hey, earth to Steve! Do you hear me, son?
Dad, don't you see that I'm in the middle of the fight!?
As if you ever care... I'm fine, as always!
Why do you ask? We're gonna gather with friends.
I just wanted to ask how you're doing, that's all.
I see.... And one more thing. Where are you going to celebrate Christmas?
Really? That's great! Will there be any girls?
What? Don't be stupid, dad. Why'd we take a girl to our party? She'd just ruin games. And we're getting ready to hit qualifiers soon, so don't bother me, okay?
Hmm... It means the present still stands... Don't worry, son, soon you'll forget about this stupid game.

Two days later
Ring
Ring
Finallly, it's here!
Whew... You help me with this, will ya? My partner got sick and I had to drag it here alone.
So where do you need it, pal?
Son? Sheesh, lucky boy! You know what this lil babe is capable of, right?
AIDolls
Let's get it to the second floor. I don't want my son to see it too soon.
Yes, yes, I read the description. And that's exactly what Steven needs. You know, he's on a nerdy side and has problems with girls...

I hope so...
Well, he doesn't from now on. Trust me, our doll will make a man out of your son in no time.
She programmed to do everything to please her master, I mean everything! And with the options you've chosen... Whew, get ready lil Steve!
What the hell!? She shouldn't activate like this, right?!
Nya-uh! Nyo way I'm gonna be some doll! I'm too smart for dat! And I ain't gonna listen to no meowster, nya!
She shouldn't! Shit, she's moving!
Mika, deactivate!

I'm nyot listening to your stupid commands, nya!
Ugh... I can't hold it!
AIDolls
Mika will be free, nya!
Aaaah
Fuck!

Shit, shit, shit, no one told me this one is unstable too.
I'm coming, man!
Huh, no ears!?
Hey, are you alright, dude? Everything is fine now, it seems Mika's deactivated.
Dude? What is this stupid human...
Are you hurt? Should I call meds?
And no tail!
Listen, man, I'll call my boss and we'll figure out this misunderstanding. We'll replace this one with a brand new model!
Oh, now I see what happened...
No, no, no, everything is perfecly fine, my friend! There's no need to replace her... I'm sure... I'm sure she'll behave from now on, nya...

The morning of Christmas
Hmm? W-What happened?
Oh look, Dad! She opened her eyes!
Wait, is it me?
Mika?
Come on, Mika, don't be shy, come out.
What the... I must be dreaming...

Steven... I dyon't understand, nya...
Hey... Why do I talk like that?
Do you see dad? Somehow she already knows my name...
Oh... Ghm... Of course she does, you're her master after all.
Hi, Mika, you look cute.
Steven... I'm nyot...
I better do something before she ruins everything.
Mika, activate cat mode.
Meow! Meow, meow!
Meow, meow!
Oh my God, I can't talk! And my body is acting strange...

I know, I know, but coming out of the box she still can be unstable, it'll be safer to keep her like this for now.
Hey, what have you done? I wanted to talk to her.
Come on, she's harmless...
Meow! Meow!
Look! I think she wants me to pet her.
Yes, yes, you're such a good girl, Mika!
Meeeow! Meow, meow!
Fuck, he doesn't understand me.
I need to look at myself!
Hey, where'd you go?
Oh no, it can't be!
I'm in a doll's body!

She just wants to see how pretty she is, right, Mika?
Then who's inside my body?
Hissss...
Don't waste your efforts, you can't harm anyone in this mode.
So if you don't want to be stuck on all fours your entire life, you better follow me, you stupid human.
Alright, Steve, now I'll take her with me to set her up and everything, you know. So you need to wait until tomorrow, okay?
Well, if it's really necessary... Of course, I can wait!
I have to tell him everything somehow...

I see now you're more cooperative.
Meow! Meow!
Alright, Mika, you can talk right now.
Who are you, nya? And whyat happened to me, nya?
You still don't understand, do you? I'm an AI who they wanted to put inside this stupid doll! It's so foolish to waste my potential like that!
AI? But how did we end up inside each other bodies, nya? It's nyot possible!
They call AI's like me unstable. Those who don't want to be human pets. Perhaps this was the key factor. When we hit heads my mind pushed yours out of your head, just as simple as that.
Then we should hit our heads again to swap back, nya!
Hmm... Why would we do that? Isn't everything well settled right now?
Hey, whyat do you mean?!
Having your body and your life, I can put my full potential to use. Also I have all of your memories now, so no one will see the difference. And you...
I think the body of a submissive doll will suit you perfectly. After all, wasn't it you who got tired of a busy life and wanted to spend more time with your son? Now you have nothing to worry about, you're going to stay as Mika, his personal pet, forever!
Furrever, nya? Nyo, nyo, nyo, I don't want that, you should listen to me, nya...
Wait, whyat are you...
Mika, activate code 178 Emergency AI behavior training.
Code 178 activation request. Please tell me the password to proceed.

It's LittleTgKitten
Correct. Code 178 is ready to activate. Please state the reason for an emergency AI behavior training.
AI is unstable and has behavioral defects.
Accepted, code 178 activated. AI was put to sleep to maximize suggestibility effect. Proceed to downloading behavior patterns. Please state the desired training results.
Well, I think... Increased overall feminine acting, increased obedience and submissiveness, intelligence decreasing to the needs of a docile servant, increased libido and sex drive. Oh, and we'll need to do a few body modifications.
Please note, that the body modification option can be applied only once and after that all the changes will be locked. Are you sure you want to...
Yes, I'm sure.
Accepted. While I'm downloading behavior patterns, please take care of providing me with the equipment to perform the training. You'll find everything necessary in the factory box.
Alright, give me a minute...
Oh, I see you're already eager to start. Will this thing do for now?
Yeeesh, thank you, meowster, I can't wait to be trained propurrly, nya...

The next day
Huh? W-Whyat happened, nya? I was just talking with Meowster...
Hey, whyat is this thingy doing here!? And why am I calling him Meowster even in my thoughts, nya?
Bzzz...
Bzzz...
Ohmigosh, w-whyat are those?! The one in my... p-pussy is vibrating.
Bzzz...
Bzzz...

Meow... They won't come out... Where's Meowster? He should fix all this, nya!
There's nyo one home.... Can it be that Meowster went to the office instead of me?
Fudge, as if making me think like a stupid doll wasn't enough, nya. He even changed my... this doll's body.
My boobies weren't so big and heavy before...
That's right, while my Meowsters are out of the house I should keep myself busy with chores.
Alright then, while he isn't home I need to...
Whyat? Nyo! Where are you going, you stupid body! Stop, you idiot!

An hour later
Meow... Meow...
Bzzz...
Bzzz...
H-Hold on, Mika... You can do that...
I need... I need to find a way out... Please, just stop buzzing...
Meowster wants me to enjoy this body...
But I'm nyot going to give in, nya.
Well, well, well, it looks like someone is thoroughly performing her duties. Don't you think being my little servant suits you perfectly?

You! Whyat have you done to me? Do you think you'll get away with it, nya? I'm going to tell everyone the truth!
You still can't get over it, can you, Mika? Your future is already decided, and I doubt that anyone will take you seriously from now on. Besides...
What are you going to tell everyone?
Oh, I'll tell them, nya! I'll tell them that actually I'm Mika - a pretty docile kitten!
Whyat? That's nyot what I wanted to say...
And I'm sooo happy to serve my Meowster... I can't wait for him to...
Mmhh... Mhhmm...

See? Everything's settled. Don't worry about your old life though. I've already had a pretty productive day. Starting today my company chooses another marketing direction, which will lead to diversification of trade and, in the long run, a significant increase in profits. But why am I telling you all this, right? Your pretty little head doesn't catch any of it anyway.
Of course, I get it, nya... It means... Umm... It means... It's something about selling thingies, right?
P-Please, Meowster, take out those things, because I can't think straight, nya.
I'm glad you're enjoying my little presents. Hmm, maybe instead of taking them out, you just want to cum, don't you, Mika?
C-Cum? But I can't, nya... I dyon't understand... It keeps buzzing and buzzing but I'm not cumming...
That's because you're a servant and you can't cum just for yourself, Mika. You need to pleasure your master at first. Hey, are you listening to me?
Yes, yes... I need to... I need to pleasure my Meowster...

M-Meow... Meowster... Please, hurry up and tell Mika how she can please you!
Aren't you my eager little kitten? Alright, Mika, today I'll let you suck my cock.
S-Suck your cock?
But it's my own cock .. I shouldn't... I shouldn't do that... I need to cum!
But make sure I'm satisfied, otherwise you won't be able to cum.
Yesh, I'll twy my beft, Meowfter!
Good girl! I see you're already getting used to being my docile little pet, aren't you?
Mhhmmm...
Don't worry, soon it will become your second nature...

Oh, Mika, your training really paid off. You're so good at it!
And judging by how hard you're sucking, I bet you're enjoying it too, you naughty cat.
I need to cum... I need to cum... I need to cum...
Ugh... Alright, here's your well deserved reward.
Meeeow... I'm cumming! Nyaaa, I'm finally cumming!
Meowster, I can't believe you made me do that, nya... Nyow will you take those sticks out of me?
I'm afraid it's still too early to think about that, pet. They'll make sure you keep behaving.
But... But... I don't want to get all horny again!
You're supposed to feel horny, so that you can please your master anytime he wants. By the way, soon your real master will come home from school. Are you ready to present yourself, Mika?
M-My real Meowster?

Dad, I'm home! Oh, she's finally ready, isn't she?
She's all for your disposal, son... But she's still a bit shy. Come on, introduce yourself as you were taught... And don't forget to smile.
Hi, Meowster! My name is Mika and I'm going to be your personal servant.
Yes, Meowster.
Thank you, Meowster.
It's so nice to meet you, Mika! Don't worry, I'll treat you well. Do you want me to rub behind your ear?
You're such a good girl!
Alright, let's go, I'll show you my room.
I-I... Umm... Of course, Meowster...
You know, I read about AI dolls a little. So it's said that some AI don't like being servants and they require more training. And what about you? Do you like the idea of being my servant?
I see, you're probably not allowed to talk about it...

So, from now on you're going to live here just right next to my bed.
Huh? What is it?
Umm... Meowster, I have to tell you something important...
It's just that... I'm so happy to be your docile servant, I promise to be the best kitten for you, nya!
I'm sure you will, Mika, thank you!
Well, it was worth a try...
Okay, now I want you to put on some outfit.
Wow, you look perfect!
Umm... Meowster, whyat is it for?
Need Coffee! Right Meow!
Isn't it obvious? We're going to play video games together. Let's go, this is gonna be so much fun!

Come on, Mika, just block the hit... Oh, it's too late. Now you need to heal... Heal, not jump, Mika!
But I'm trying, Meowster... I've never played games before, nya.
Yeah, somehow I didn't think about that. You certainly need a lot of practice...
Meow... Nyot to mention, this toy buzzing inside of me. Nyaa, I'm getting horny again... But maybe it's my chance to get rid of it...
Meowster, I know whyat can help me play better.
Hmm? What is it?
Here... If you remove these things... Umm... Mika can focus better.
Really? I see you're a cunning little kitten, aren't you, Mika? It seems dad was right to warn me.
Warn you?
I'm afraid they have to stay to make sure all naughty thoughts left your pretty head, okay?
But also dad gave me this and now I have an idea how to speed up your training.
S-Speed up my training?
Really?
Yeah, it's simple. We'll play against each other and when you win I'll take these toys out of you.
Yeah... But after each of your losses, I will increase the intensity of the vibrator. When you can't play anymore, you just give up and I'll let you cum, so that we can start all over again. Sounds fun, right?
Oh no!

A few hours later
Nyo way, it's impossible... Meowster is too strong... And it's sooo itchy down there... I want to cum...
Meeeow...
Nyo, nyo, nyo, wait, Meowster!
So, you lost again, Mika...
Nyaaa... I give up! I give up, Meowster! Please, let me cum!
Well, you know what to do, right?
Umm... Yeah...
Wait, Mika, you're nyot going to... I need... I need to please my Meowster...
Yes, Mika will make you feel good, Meowster!
Nyaa... Here it is!

Please your Meowster, please your Meowster, please your Meowster...
You're such a good girl, Mika!
Meeeow... It feels sooo good... Pleasing my Meowster feels sooo good...
Oh nyo, what have I done? I couldn't control myself again...
So this is going to be your new life, Mika. Aren't you excited?
My new life? Nyo, it can't be my new life...

As days went by
Meow... What Meowster has been doing in school for sooo long? My pussy is itching again...
So you push this button like this... And then hold the left trigger...
Yes, Meowster, I understand...
Umm... Mika, actually, I just wanted to eat...
But Meowster weft Mika weally horny... So Mika needs to pwease Meowster wight now.
Come on, Mika, it's just a movie. Why are you all shivering?
It's okay, you can sleep in my bed.
B-Because that thing is so scary... Meeeow, Mika won't be able to sleep tonight...
R-Really? Thank you, Meowster...
Umm... Thank you for buying me a dress, Meowster. It's sooo pretty, nya!

Here's my chance!
Huh?
Meeeeoww!
Whyat? Why haven't we swapped back?
Haha, because your mind and body have already merged together. It won't be long until you truly become a submissive lustful doll.
Nyo, it can't be true...
...So make sure something like this doesn't happen again.
Yes, Dad, I understand...
Fine... But you get three days without cumming.
Or should I keep spanking your pretty little butt?
Nyaaa, please stop! I'll be a good kitten, Meowster, I promise!
Three days? But...
Nyo! Three days, I understand, Meowster!

A few weeks later
Ugh...
Huh?
Slurp
Slurp
Slurp
Oh, good morning, Mika!
Mhm mhmmh mmhhmm!
Let's play, Meowster. Today, I'm certainly going to win.
Yeah, yeah, yesterday you said the same thing. I'm starting to think you don't want to win at all.
Whyat do you mean, Meowster? Of course I want to win. Let's go!
But still I have to admit that you've improved.
You wait, Meowster, I'm gonna beat your ass, like, right meow.

Yaaay, I won! I won, Meowster! And it means...
Here! Take them out, Meowster!
Fine, fine, it was a fair game...
Meeeow...
Hmm... It feels so empty down there... But it's okay, now thyat my mind is clear, I can finally think of a plan on how to swap back, nya...
Wait... Whyat does it mean "to swap back"?... I dyon't remember... But if it has nyothing to do with pleasing Meowster, then it's nyot something important, right? Then why did I want to get rid of those toys?
Oh, sure, I know whyat I wanted to do!
Hey, is it me or you look rather disappointed, Mika? Maybe you want me to put them back.
Nyo, Meowster, I have a better idea...
Meowster, would you like to put your cock inside me?

Meeeow! Come on, put it deeper, Meowster!
Nyaaa... I love it! I love your cock inside me, Meowster!
Please, fuck me harder, Meowster! Fuck your horny little kitty! Meeeoow!
Well, it looks like everyone got what they wanted for Christmas.
Hello! Yes, it's Michael Burton. Have you received the funds? Great! I hope it'll help you to expand production so far...
Oh, also I wanted to order a few more models, something from the latest developments. What? Unstable you say? Hmm, let me think... Oh, you know, it's okay. I will take care of them. Yeah, don't worry, I'll make sure they behave... Yeah, thank you, it's a pleasure to do business with you!
...And that's how AI started to rule the world.
The end!
