

So let me just put you down here on the closet, while I pose for you and show you some more of my body...

All right, perfect. Stay there.

For as long as you want!

Now you can choose between
two programmes...

The sexy routine...

Or the strong routine. Which is it gonna be?

Well, since you showed me today that strong is the new sexy... I'll take strong!

Perfect answer!

Okay baby, let me hit a few poses, just for you!

How you like my double
bi baby?

It's ah... larger than life!
How can someone's
arms be so big??

Lot's of training dear,
day in, day out!

And of course some good genes. Let me show you what these babies look like from the back...

Oh I love flexing for little guys.
They're usually very
impressed... Are you
impressed, little man?

It's ah... you are... I mean...

Good answer baby. Words fall short, don't they, to describe muscles like these...

All right baby, as usual after some flexing and posing, I'm got even more turned on. Would you mind if I carried you downstairs to the... wrestling room?

You... you wanna wrestle me?

Just a little maybe, yeah. Of course it's not *real* wrestling, cause you couldn't wrestle down one of my hands with all your bodyweight. It'll be more like play...

Okay... so you will not... hurt me, will you?

Naaaah, of course not...
Let me pick you up...

Here we are buddy, what do you think?

Wow, a dedicated wrestling room? Do you use it often?

You know... when I got company...

These are some trophies I won for martial arts competitions. I also got some for weightlifting and bodybuilding competitions... Hard to choose what to specialize in....

Oh my god... I'm starting to get afraid...

I'll be gentle with you baby. And like I said, you tell me when I'm doing anything to you you don't like. Let me put you down softly on the mat... Now I'd like us to sit down back to back.

Okay baby, this is our starting position. You will count to three and then we start our little wrestling game. The idea is to hold the other one for at least ten seconds, or make him tap out, ok?

Ehm, ok...

Good! Count away!

Three, two,
one, GO!

Go baby! I'll give you
some headstart...

Well done baby, tiny but fast, like a little mouse!

Try to pull me down on the mat, toward you, come on, pull! Use your whole body weight! Come on little man, I'm making it easy for you! Take your time!

Seems like nothing is gonna move
huh, baby. Let me show you
something then, otherwise it's gonna
be a boring game...

Wow, you're very very weak. Seems like the weight of my arm is enough to pull you down, I don't have to even use any force... Poor boy, this is not much fun for you is it?

Let's think of how we can make it a bit more interesting for you. Are you a breast man, little Jeff?

Huh?

Do you like big tits?
Just trying to find out
what you like...

Maybe you're really into muscle huh. In any case, I guess my biceps are as round as tits...

Can you imagine the damage
these babies could do to a
little boy like you, Jeff?

The power in these arms could squeeze the life out of you in no time, Jeff... Now I would like you to suck my nipple while you keep looking at my bicep. Can you do that, little Jeff?

Eh, yes...

That's it boy, your mouth on my big nipple and your eyes...

Your eyes on my bicep, isn't that what I told you Jeff?

Yes... you are hurting me... my hair...

Yes boy, if you don't listen perfectly, I have to hurt you a little. That's the rule of the game, I'm afraid...

Please, you said...

Shhhh, now is a good time to shut up. There'll be a slight punishment for not listening. It won't hurt too much...

This is a muscletrap, Jeff. One of an endless series of variations... Some are more painful than others. This is a very light one

Aaargh, please...

Now I could very easily make you cry in a dozen ways. I'm totally in control. Do you understand?

Yes...

Please stop, you're scaring me!
You told me... I should tell you
when to stop...

Okay okay, mister partypooper.
Let's get you up...

You are soooo light. Like a little ragdoll in big Emma's bodybuilder arms...

Up we go... Let's see if I can flip you over now...

Throw you up and catch you, like a soft little pancake...

There you are, safe in mommy's arms, my little boy. Did mommy scare you, with her big muscles? Bad big bodybuilding mommy huh!

Is she crazy?

Let's see if we can find something we both enjoy, okay?

Please... I think I want to go home now...

Go home baby? Oh nooo, we're beyond the point of no return now. It's too late to go home. But you'll like the next part... I'll take of these pants and put you on my knee...

I here you go little man, right on my big leg. There's room for two of you. Now let's see if you can better this time...

What I want you to do know is put your right hand on my fully flexed bicep, and with your left hand, you're gonna play with your little weenie. Think you can do that, the way I ask?

Yes...

That's a good boy! Now tell me, what are you doing? Describe your position... Describe me...

I'm... holding your bicep, and in the meantime I'm... playing with myself...

Good boy. What are you sitting on?

I'm sitting on your thigh...

Describe it

It's a... very big... huge... very muscular thigh

Very good, baby. Who's in control here?

You are...

Correct. Why is that?

Because you're a lot stronger and bigger tha

Good boy, now I'm definitely superhorny...

I wanna cum baby. Use your little foot to make me cum. Do it baby, make mommy happy. Do it now!

That's it baby! Keep
stroking yourself too!
That's it! Faster!

Oh yes, faster, faster!
Almost there! Come on
baby, don't stop! Put
your little foot in there!

A little more. Now you stop touching yourself NOW!
Oh oooh oooh

AAAAAAAAAAAAAAHH

Great job baby! No more touching yourself. It's just mommy who's allowed to cum at this point. Maybe you get something too, a little later...

After I've scared you some more...
