ZHUYUAN Needs A BREAK

BY TSF AI

Oh hello Qingyi

Is this about the recent case?

This
is about
something
more
important

You've been doing overtime for a long time Zhu Yuan

You really need to take some time off

We've talked about this already Qingyi

I'm fine
I don't
need a break
from my
work
PWESE

Plus with all of the current cases I don't have the time to relax

If you keep going like this you're going to injure yourself

As your friend I want you to think more about yourself and use this break to relax

Look Qingyi! I appreciate you and your concerns...

If I do agree to taking some time off from my work...

Then who is going to handle my work and fill in for me while I'm absent?

I know just the right person to ask

Trust me I'll find the perfect substitute for you

A little later at Random Play

DING

Welcome to Random Play

Proxies
I need your
urgent
assistance

Hi there Qingyi what can I help you with?
WELL

Good day to you as well Wise

I need your sister's help urgently where is she?

Sorry Qingyi but Belle is still in Failume Heights

I see...
That is very
unfortunate
I guess
I will have to
settle with
plan B
then

Wise!
You're going to assist me with my job

Huh!
You want
me to help
you with your
job?

Meanwhile at Zhu Yuan's home

I wonder who got picked to be my substitute while I'm on break

I trust that Qingyi found someone capable to take my place

WHAT THE! How did you even get something like this
I need you to wear this replica skinsuit of officer Zhu Yuan

Sorry but that info is classified and I can't share the details with you

Wait!
Surely there
are better
candidates
to wear this
thing

Wisse Shop

You already know Zhu Yuan personally and you also owe us for looking the other way when it comes to your proxy buisness

Uhh....
Fine I'll
wear the suit
and help you
with your
work

It
feels like
my lower half
is almost
merging with
the suit

If I wear the whole suit I'll have Zhu Yuan's body?

Indeed you should look sound and feel exactly like the real Zhu Yuan

Arghh!
I'm struggling
with the face
it's hard to
lign it up
right

The face is the hardest part of wearing these suits but you're doing great

Mhmm... Phwanks... I gweus... Almost there

It's starting to feel right! I think I almost have it perfectly aligned

Huh!?
My voice changed!
Does that mean I did it right?

Ahh...
Everything feels correct at the very least

Why don't you open your eyes and take a look at your new body

You're right let me have a look and see if I did it right

EHHH!
I have really turned into Zhu Yuan!

I even
real breasts!
They feel
soo heavy
but also really
soft

This is my first time feeling a pair of breasts and they are hanging from my own chest

This is too much for me to process.... I feel out of place in this form

You look perfect and I'm sure you will get used to your new body

Sure...
But do you have any spare clothes I can wear?

Did you really think I would bring the suit and not an outfit?

That's true... But you can't blame me for not thinking straight right now

Was Zhu Yuan really always this... Curvy?

I have to keep this a secret from Belle... I dread to think what she would say if she found out about this

Who would have thought that putting on a bra would be this difficult

You're doing a good job so far Wise

This is by far the weirdest thing I've ever had to do

Arhh... Why is the shirt soo tight around the chest?
Did you get the wrong size shirt?

Huh...
Thats odd!
All the clothes should be the same size that Zhu Yuan normally uses

I hope the pants are at least the right size

Huh?
No way...
They already
feel this
tight!
Will
I really
be able to
get them
on all the
way?

Come on pants don't let me down... Ughhh... Get over!

Phew! I can't believe I actually got them to fit

Just the jacket left and I'll look exactly like Zhu Yuan from top to bottom

This is so surreal... I'm a perfect copy of Zhu Yuan now
PUSEE

You took your time getting ready... Anyway remember you are now Zhu Yuan not wise

You head back to public security and I'll catch up with you after I handle something

Meanwhile at Public Security

I need to find someone that can help me

Oh that's Zhu Yuan! She should be able to help me

Erhm...
Excuse me
officer!
Could you
help me
quickly

Oh...
You're Puchra Fellini from the Sons Of Calydon right!?
PUEESE

Tell me what is someone like you doing here at Public Security?
PUSZE

I need your help dealing with Burnice... She won't leave me alone

Any chance I can get a restraining order or something on her?

Hehe...
Pulchraaa...
you really want
a restraining
order

You
hurt my
feelings...
I thought you
enjoyed my
company

What are you talking about officer!? I need one for Burnice not you

Ooohh!
But what if
I was your
dear beloved
Burnice

HUH!?
What in the...
There is no
waaayyyy!

BURNICE!

Surprise!
Can't leave
the kitty alone
for too long
it would
seem

How was my Zhu Yuan cosplay!? Pretty convincing right! Right!

How the!?
But why are you...
When did you...
This can't
be real

Don't
be shy I won't
arrest you
if you let me
touch your fluffy
tail all day
long~

On a street near Public Security

Come one Wise! You can handle being Zhu Yuan for some time

I really hope I can actually keep up the facade and avoid being found out

Stay back Burnice! I'm not going to let you touch me however you please!

Awww~
Come on kitty!
What is the saying again....
You scratch my back and I get to touch your tail

Thats completely wrong you weird oddball of an arsonist!

Huh? Is that Burnice chasing Pulchra?

Focus!
I can't
let myself get
distracted...
Lets head inside
for now
NEESE

I've been to Public Security a few times before but not as an actual officer

I guess I should look for Zhu Yuan... Erhh... I mean my office first

There
you are!
I've been trying
to find you
all morning...
But I got too busy
with something
urgent

Hello...
Are you
paying attention
officer
Zhu Yuan?

Huh!
Qingyi?
But how did
you get back
here before
me?

Didn't
you say
you had something
you needed
to handle
back on
sixth street?

Huh?
What are you talking about Zhu Yuan?
I've been buried in paperwork all morning!
This is the first time I'm seeing you today

Huh!?
Ohh... Erh...
Sorry maybe
I'm... Tired
yeah... Just
Tired

WAIT!
If this is the
real Qingyi...
Then who gave
me this suit
of Zhu Yuan?

In an alley on Sixth Street

Hehehe! I can't believe how easy it is to trick othes using these skinsuits

Zhu Yuan...
And little Wise...
They both trusted this face and voice so easily

Having access to these skinsuits is like having super powers

BY TSF AI

With the real Zhu Yuan on break and the inexperienced Wise taking her place

I can safetly move on to the next step in my plan

To Be Continued?
